The City of Scotts Valley will conduct a public meeting on Thursday, May 20, 2021 at 5:00 p.m. via Zoom videoconference in order to discuss possible applications for funding using the State Community Development Block Grant (CDBG) Program Income Funds and to solicit public input on possible activities to be included in the application.

The City of Scotts Valley is considering activities for Program Income funds available including General Administration Funds as follows:

FY 2021/2022	\$183,333
FY 2022/2023	\$183,333
FY 2023/2024	\$183,334

The City may program one, two or all three years of funding through this application process; however, funds for each fiscal year will become available on July 1 of that fiscal year (i.e., July 1, 2021, July 1, 2022 and July 1, 2023).

Eligible activities consist of: Homeownership Assistance and Housing Rehabilitation Programs; Public Facility and Public Improvement Projects (Including Public Improvements in Support of New Housing Construction); Public Service Programs, Planning Studies, Economic Development Business Assistance and Microenterprise Activities. Eligible activities paid for with State CDBG funds must meet one or more of the three national objectives listed in CDBG federal statues as follows: Benefit to low-income households or persons; elimination of slums and blight; or meeting urgent community development need.
