### **Pop Over to Skypark and Participate**

The City of Scotts Valley has an opportunity to receive up to \$200,000 in grant funds for amenities at the young children's play area at Skypark (chosen because it is our most frequently used park with the most need). The City is holding a public meeting in this area at Skypark on Saturday, November 9<sup>th</sup> from 10 am to noon and would love to hear the public's creative ideas regarding the expenditure of the grant funds i.e. shade suggestions, water play amenities, updated water fountains (to accommodate water bottles), playground surfacing etc. We hope to see you there. For questions, please contact Kristin Ard at (831) 438-3251.
