Scotts Valley Redevelopment Successor Agency MEMORANDUM

DATE: September 26, 2012
TO: Honorable Chair and Oversight Board Members
FROM: Steve Ando, Executive Director
SUBJECT: Public Review of Report on Due Diligence Review

SUMMARY OF ISSUE

As reported at your last Board meeting, H&S Section 34179.5 requires successor agencies to employ a licensed accountant to conduct due diligence reviews to determine the “unobligated cash balances” in the various funds (i.e. low/moderate income housing fund, etc.) available to transfer to the taxing agencies. The deadline to complete the review of the low/moderate income fund is October 1. The Oversight Board must review and approve the report in time for it to be transmitted to the State Department of Finance (DOF) by October 15. However, the Oversight Board must also hold a public session at least five business days in advance of the meeting to consider approval of the report.

This meeting on September 26 is to allow the public to comment on the report. Staff will be available for questions by the Oversight Board as well. At your next meeting on October 10 the Oversight Board will be asked to take action on the report. The report will then be transmitted to the DOF prior to the October 15 deadline.

Attached is the report from the City’s independent auditors for the due diligence review on the low/moderate income funds. There are several procedures required by the State. Those procedures are also attached to this report. Procedure 10 calculates the unobligated cash balance of the Low / Moderate Income Housing Fund. The balance at June 30, 2012, is reduced by the amount of the payment (\$748,601) required by the DOF on July 12, 2012. That amount has already been distributed to the taxing entities last month. The unobligated cash balance is further reduced per Procedure 9 by a cash shortfall of \$727,922 for the July 1, 2012 to December 31, 2012, ROPS. This shortfall is a carryover from the time period before the Redevelopment Agency ended on February 1, 2012. The net result is an unobligated cash balance of \$925,996 to be distributed to the taxing agencies.

After the report has been transmitted to the DOF by October 15, the DOF has until November 9 to complete its review of the report and to issue findings, determinations, or other decisions, if any. The Successor Agency has one week, until November 16, to request a meet and confer with the DOF to resolve any disputes. The DOF must confirm or modify its position within 30 days. On November 28 the Successor Agency must transfer the unobligated cash balance to the County Auditor-Controller

FISCAL IMPACT

None at this time.

STAFF RECOMMENDATION

That the Board hold the public session to allow comment on the attached report.

Due Diligence Review Report on Low/Moderate Income Funds.....	12

List of Procedures for Due Diligence Review

General information regarding these procedures:

1. The procedures associated with Sections 34179.5(c)(1) through 34179.5(c)(3) and Sections 34179.5(c)(5) through 34179.5(c)(6) are to be applied separately to (a) the Low and Moderate Income Housing Fund of the Successor Agency and to (b) all other funds of the Successor Agency combined (excluding the Low and Moderate Income Housing Fund).
2. The due date for the report associated with the Low and Moderate Income Housing Fund is October 1, 2012.
3. The due date for the report associated with all other funds of the Successor Agency combined (excluding the Low and Moderate Income Housing Fund) is December 15, 2012.
4. Because the procedures required by Section 34179.5(c)(4) pertain to the Successor Agency as a whole, these procedures should be addressed in the report that is due on December 15, 2012.

Fiscal year references below refer to fiscal years ending on June 30. This language should be modified for those agencies that have a different fiscal year-end.

For purposes of the procedures below and the related exhibits, the amount of the assets presented should be based upon generally accepted accounting principles (GAAP), unless otherwise noted.

To the extent the procedures listed below are duplicative to the agreed upon procedures that were performed pursuant to HSC 34182 (a)(1), it is acceptable to obtain and use information from the HSC 34182 (a)(1) procedures for purposes of this due diligence review without having to re-perform the procedures. When this is done, the due diligence report should refer to the report that was issued for the agreed upon procedures performed under HSC 34182 (a)(1).

Certain assets may qualify as a deduction under more than one category of deduction. In such cases, care should be taken to ensure that such assets have been included as a deduction in the summary schedule only once.

34179.5(c)(5)(C) An itemized statement of the values of any assets that are not cash or cash equivalents. This may include physical assets, land, records, and equipment. For the purpose of this accounting, physical assets may be valued at purchase cost or at any recently estimated market value. The statement shall list separately housing-related assets.

Suggested Procedure(s):

7. Perform the following procedures:
 - A. Obtain from the Successor Agency a listing of assets as of June 30, 2012 that are **not** liquid or otherwise available for distribution (such as capital assets, land held for resale, long-term receivables, etc.) and ascertain if the values are listed at either purchase cost (based on book value reflected in the accounting records of the Successor Agency) or market value as recently estimated by the Successor Agency.
 - B. If the assets listed at 7(A) are listed at purchase cost, trace the amounts to a previously audited financial statement (or to the accounting records of the Successor Agency) and note any differences.

- C. For any differences noted in 7(B), inspect evidence of disposal of the asset and ascertain that the proceeds were deposited into the Successor Agency trust fund. If the differences are due to additions (this generally is not expected to occur), inspect the supporting documentation and note the circumstances.
- D. If the assets listed at 7(A) are listed at recently estimated market value, inspect the evidence (if any) supporting the value and note the methodology used. If no evidence is available to support the value and/or methodology, note the lack of evidence.

Citation:

34179.5(c)(5)(D) An itemized listing of any current balances that are legally or contractually dedicated or restricted for the funding of an enforceable obligation that identifies the nature of the dedication or restriction and the specific enforceable obligation. In addition, the successor agency shall provide a listing of all approved enforceable obligations that includes a projection of annual spending requirements to satisfy each obligation and a projection of annual revenues available to fund those requirements. If a review finds that future revenues together with dedicated or restricted balances are insufficient to fund future obligations and thus retention of current balances is required, it shall identify the amount of current balances necessary for retention. The review shall also detail the projected property tax revenues and other general purpose revenues to be received by the successor agency, together with both the amount and timing of the bond debt service payments of the successor agency, for the period in which the oversight board anticipates the successor agency will have insufficient property tax revenue to pay the specified obligations.

Suggested Procedure(s):

- 8. Perform the following procedures:
 - A. If the Successor Agency believes that asset balances need to be retained to satisfy enforceable obligations, obtain from the Successor Agency an itemized schedule of asset balances (resources) as of June 30, 2012 that are dedicated or restricted for the funding of enforceable obligations and perform the following procedures. The schedule should identify the amount dedicated or restricted, the nature of the dedication or restriction, the specific enforceable obligation to which the dedication or restriction relates, and the language in the legal document that is associated with the enforceable obligation that specifies the dedication of existing asset balances toward payment of that obligation.
 - i. Compare all information on the schedule to the legal documents that form the basis for the dedication or restriction of the resource balance in question.
 - ii. Compare all current balances to the amounts reported in the accounting records of the Successor Agency or to an alternative computation.
 - iii. Compare the specified enforceable obligations to those that were included in the final Recognized Obligation Payment Schedule approved by the California Department of Finance.
 - iv. Attach as an exhibit to the report the listing obtained from the Successor Agency. Identify in the report any listed balances for which the Successor Agency was

unable to provide appropriate restricting language in the legal document associated with the enforceable obligation.

- B. If the Successor Agency believes that future revenues together with balances dedicated or restricted to an enforceable obligation are insufficient to fund future obligation payments and thus retention of current balances is required, obtain from the Successor Agency a schedule of approved enforceable obligations that includes a projection of the annual spending requirements to satisfy each obligation and a projection of the annual revenues available to fund those requirements and perform the following procedures:
- i. Compare the enforceable obligations to those that were approved by the California Department of Finance. Procedures to accomplish this may include reviewing the letter from the California Department of Finance approving the Recognized Enforceable Obligation Payment Schedules for the six month period from January 1, 2012 through June 30, 2012 and for the six month period July 1, 2012 through December 31, 2012.
 - ii. Compare the forecasted annual spending requirements to the legal document supporting each enforceable obligation.
 - a. Obtain from the Successor Agency its assumptions relating to the forecasted annual spending requirements and disclose in the report major assumptions associated with the projections.
 - iii. For the forecasted annual revenues:
 - a. Obtain from the Successor Agency its assumptions for the forecasted annual revenues and disclose in the report major assumptions associated with the projections.
- C. If the Successor Agency believes that projected property tax revenues and other general purpose revenues to be received by the Successor Agency are insufficient to pay bond debt service payments (considering both the timing and amount of the related cash flows), obtain from the Successor Agency a schedule demonstrating this insufficiency and apply the following procedures to the information reflected in that schedule.
- i. Compare the timing and amounts of bond debt service payments to the related bond debt service schedules in the bond agreement.
 - ii. Obtain the assumptions for the forecasted property tax revenues and disclose major assumptions associated with the projections.
 - iii. Obtain the assumptions for the forecasted other general purpose revenues and disclose major assumptions associated with the projections.
- D. If procedures A, B, or C were performed, calculate the amount of current unrestricted balances necessary for retention in order to meet the enforceable obligations by performing the following procedures.
- i. Combine the amount of identified current dedicated or restricted balances and the amount of forecasted annual revenues to arrive at the amount of total resources available to fund enforceable obligations.

- ii. Reduce the amount of total resources available by the amount forecasted for the annual spending requirements. A negative result indicates the amount of current unrestricted balances that needs to be retained.
- iii. Include the calculation in the AUP report.

Citation:

34179.5(c)(5)(E) An itemized list and analysis of any amounts of current balances that are needed to satisfy obligations that will be placed on the Recognized Obligation Payment Schedules for the current fiscal year.

Suggested Procedure(s):

9. If the Successor Agency believes that cash balances as of June 30, 2012 need to be retained to satisfy obligations on the Recognized Obligation Payment Schedule (ROPS) for the period of July 1, 2012 through June 30, 2013, obtain a copy of the final ROPS for the period of July 1, 2012 through December 31, 2012 and a copy of the final ROPS for the period January 1, 2013 through June 30, 2013. For each obligation listed on the ROPS, the Successor Agency should add columns identifying (1) any dollar amounts of existing cash that are needed to satisfy that obligation and (2) the Successor Agency's explanation as to why the Successor Agency believes that such balances are needed to satisfy the obligation. Include this schedule as an attachment to the AUP report.

Citation:

34179.5(c)(6) The review shall total the net balances available after deducting the total amounts described in subparagraphs (B) to (E), inclusive, of paragraph (5). The review shall add any amounts that were transferred as identified in paragraphs (2) and (3) of subdivision (c) if an enforceable obligation to make that transfer did not exist. The resulting sum shall be available for allocation to affected taxing entities pursuant to Section 34179.6. It shall be a rebuttable presumption that cash and cash equivalent balances available to the successor agency are available and sufficient to disburse the amount determined in this paragraph to taxing entities. If the review finds that there are insufficient cash balances to transfer or that cash or cash equivalents are specifically obligated to the purposes described in subparagraphs (B), (D), and (E) of paragraph (5) in such amounts that there is insufficient cash to provide the full amount determined pursuant to this paragraph, that amount shall be demonstrated in an additional itemized schedule.

Suggested Procedure(s):

10. Include (or present) a schedule detailing the computation of the Balance Available for Allocation to Affected Taxing Entities. Amounts included in the calculation should agree to the results of the procedures performed in each section above. The schedule should also include a deduction to recognize amounts already paid to the County Auditor-Controller on July 12, 2012 as directed by the California Department of Finance. The amount of this deduction presented should be agreed to evidence of payment. The attached example summary schedule may be considered for this purpose. Separate schedules should be completed for the Low and Moderate Income Housing Fund and for all other funds combined (excluding the Low and Moderate Income Housing Fund).

Suggested Procedure(s):

11. Obtain a representation letter from Successor Agency management acknowledging their responsibility for the data provided to the practitioner and the data presented in the report or in any attachments to the report. Included in the representations should be an acknowledgment that management is not aware of any transfers (as defined by Section 34179.5) from either the former redevelopment agency or the Successor Agency to other parties for the period from January 1, 2011 through June 30, 2012 that have not been properly identified in the AUP report and its related exhibits. Management's refusal to sign the representation letter should be noted in the AUP report as required by attestation standards.
