**Successor Agency of the Scotts Valley Redevelopment Agency
INTEROFFICE MEMORANDUM**

DATE: January 20, 2016
TO: Honorable Chairperson and Board Members
FROM: Laurie Grundy, Accountant II
SUBJECT: Approval of Administrative Budget for July 1, 2016 through June 30, 2017

SUMMARY OF ISSUE

Pursuant to Part 1.85 of Division 24 of the California Health and Safety Code (the "Redevelopment Dissolution Law"), the Successor Agency must prepare a proposed administrative budget and a Recognized Obligation Payment Schedule ("ROPS") for the twelve-month fiscal period, which must also be submitted to the Oversight Board for approval. Each proposed administrative budget must include all of the following: (1) estimated amounts for Successor Agency administrative costs for the applicable twelve-month fiscal period; (2) proposed sources of payment for the administrative costs; and (3) proposals for arrangements for administrative and operations services provided by the City or other entity.

The Redevelopment Dissolution Law is unclear regarding the required timing for the submission of the proposed administrative budget for the period from July 1, 2016 through June 30, 2017 (*i.e.*, the fiscal year 2016-17) ("Administrative Budget 16-17") to the Successor Agency and the Oversight Board. However, because the Successor's Agency's administrative expenditures also have to be reflected on the ROPS, Administrative Budget 16-17 and the ROPS for the same period ("ROPS 16-17") should be consistent.

The Successor Agency is required to submit ROPS 16-17 to the Oversight Board for approval and then submit the Oversight Board-approved ROPS 16-17 to the State Department of Finance, State Controller and the County Auditor-Controller no later than February 1, 2016. Staff has prepared a ROPS 16-17 for the Successor Agency's approval at this meeting as a separate agenda item. Staff recommends that the Board approve Administrative Budget 16-17 on the same date as the Board's approval of ROPS 16-17.

A meeting of the Oversight Board has been scheduled for January 27, 2016, prior to the February 1, 2016, deadline. The administrative budget and the ROPS will be submitted to the Oversight Board for its approval at that meeting.

FISCAL IMPACT

Under the Redevelopment Dissolution Law, an “Administrative Cost Allowance” is paid to the Successor Agency from property tax revenues allocated by the County Auditor-Controller. The Administrative Cost Allowance is defined as an amount, subject to the approval of the Oversight Board, which is up to 3% of the property tax allocated for enforceable obligations from the Redevelopment Property Tax Trust Fund by the County Auditor-Controller. The amount shall not be more than \$250,000 for any fiscal year unless the Oversight Board reduces this amount. The Administrative Cost Allowance is subject to reduction if there are insufficient funds to pay the enforceable obligations as listed on the ROPS.

STAFF RECOMMENDATION

Staff recommends that the Successor Agency of the Scotts Valley Redevelopment Agency adopt Resolution No. SA-26, approving a proposed administrative budget for the twelve-month fiscal period from July 1, 2016 through June 30, 2017, and taking certain other related actions.

Scotts Valley Redevelopment Successor Agency MEMORANDUM

DATE: January 20, 2016

TO: Honorable Chair and Board Members

FROM: Kirsten Powell, Agency Counsel

SUBJECT: **Approval of Easement Agreement between the Santa Cruz Metropolitan Transit District, the Scotts Valley Redevelopment Successor Agency and the Scotts Valley Water District APN 022-212-16**

SUMMARY OF ISSUE

The Santa Cruz Metropolitan Transit District (“Metro”) and the Scotts Valley Redevelopment Successor Agency (“Agency”) are the owners on the property on which the Transit Center is located, APN 022-212-16 (the “Property”). Metro operates and maintains the Transit Center and the Property. The Scotts Valley Water District (“District”) is in the process of constructing a stormwater system and related facilities along Kings Village Road. The District has requested a non-exclusive easement on the Property from Metro and the Agency in order to construct certain improvements for the system. The improvements include an underground detention tank and gravel reservoir, stormwater bilfiltration cells, pervious concrete pavement, and stormwater conveyance facilities.

Pursuant to the agreement, the District will indemnify the Agency for any claims resulting from the easement. The District will also maintain insurance naming the Agency as an additional insured during construction of the improvements. The District is responsible for maintaining and repairing the improvements. The easement will not impair the public use of the Property as the Transit Center.

Metro staff has approved the easement document, but the Metro Board has not yet granted the easement. Metro’s Board’s consideration of the easement is contingent on the District obtaining funding for the project and hiring a contractor.

This matter must be approved by the Oversight Board as well as the Successor Agency. Under the Redevelopment Dissolution law, the Oversight Board only meets once a year; therefore, this matter is before you now. The easement can be granted subject to the District obtaining the financing and a contractor.

FISCAL IMPACT

None.

STAFF RECOMMENDATION

That the Board approve the Easement Agreement subject to the District obtaining funding and a contractor for the project.

RESOLUTION NO. SA-28

A RESOLUTION OF THE BOARD OF THE SUCCESSOR AGENCY OF THE SCOTTS VALLEY REDEVELOPMENT AGENCY AUTHORIZING THE EXECUTIVE DIRECTOR OF THE SUCCESSOR AGENCY OF THE SCOTTS VALLEY REDEVELOPMENT AGENCY TO SIGN THAT CERTAIN EASEMENT AGREEMENT BETWEEN THE SUCCESSOR AGENCY OF THE SCOTTS VALLEY REDEVELOPMENT AGENCY, THE SANTA CRUZ METROPOLITAN TRANSIT DISTRICT AND THE SCOTTS VALLEY WATER DISTRICT FOR THAT CERTAIN REAL PROPERTY LOCATED ALONG KINGS VILLAGE ROAD (APN NO. 022-212-16)

WHEREAS, the former Redevelopment Agency of the City of Scotts Valley acquired a partial interest in that certain property located on Kings Village Road, APN No. 022-212-16 (the "Property") February 7, 1996; and

WHEREAS, the Santa Cruz Metropolitan Transit District ("Metro") is the owner of the remainder of the Property; and

WHEREAS, the formed Redevelopment Agency of the City of Scotts Valley was eliminated and the Successor Agency of the Scotts Valley Redevelopment Agency is now charged with winding down the obligations of the former Redevelopment Agency; and

WHEREAS, the Property is used as a transit center for Santa Cruz County and as such, can be retained by the Agency despite the winding down of the former Redevelopment Agency; and

WHEREAS, the Scotts Valley Water District desires to construct a storm water system, partially located on the Property; and

WHEREAS, all improvements are located underground and will not interfere with the operation of the Property as the transit center; and

WHEREAS, the parties desire to enter into that certain Easement Agreement to enable the District to construct the improvements upon such time as the District has obtained the necessary funding for the project and has hired a contractor to construct the improvements.

NOW THEREFORE, the Board of the Successor Agency of the Scotts Valley Redevelopment Agency, hereby resolves as follows:

1. That the aforementioned findings are approved.
2. That the granting of the easement does not impair the use of the Property as a public facility.

3. That the Executive Director is authorized to execute that certain Easement Agreement at such time as the District obtains the necessary funding for the project and hires a contractor to complete the work.

EASEMENT AGREEMENT

THIS EASEMENT AGREEMENT ("Agreement") is made and entered into on the _____ day of _____ 2015, by and between the Santa Cruz Metropolitan Transit District ("METRO") and the Scotts Valley Redevelopment Agency ("SVRA") collectively known as "Grantors" and the Scotts Valley Water District ("SVWD") known as "Grantee".

RECITALS

A. Grantors are the owners of that certain real property located at 246 Kings Village Rd, Scotts Valley, CA 95066, ("Scotts Valley Transit Center") Santa Cruz County Assessor's Parcel Number 022-212-16, and more particularly described in Exhibit "A" of that certain Grant Deed recorded August 16, 2000 as Document No. 2000-0039601, Santa Cruz County Records (the "Property").

B. Grantee is a County Water District organized under Water Code Section 30000.

C. Grantee desires to construct a stormwater system and related facilities ("Stormwater System") on, over, through and within portions of Grantors' Property, and Grantee has requested that Grantors grant and convey a permanent non-exclusive easement ("Easement") for such purposes.

D. The Stormwater System includes an underground detention tank and gravel reservoir; stormwater biofiltration cells; pervious concrete pavement; prefabricated hydrodynamic separator for stormwater treatment; stormwater conveyance facilities including manholes and pipelines; precast concrete modular biofiltration units; and landscaping, irrigation and related improvements.

E. Grantors, by and through the Easement dedication as granted herein, reserve, subject to the terms and conditions set forth herein, the right to and will at all times control all airspace

rights and the use of airspace related to the subject Property for future development above the Easement.

F. Whereas the parties desire to enter into this Agreement to provide for the terms and conditions under which the Easement is granted by Grantors in favor of Grantee.

NOW, THEREFORE, Grantors and Grantee agree as follows:

1. Grant of Easements. Grantors hereby grant and convey to Grantee a non-exclusive permanent easement over that portion of Grantors' Property as described on Exhibit "A" and depicted on Exhibit "B" ("Easement Area") for the uses and purposes described in this Agreement.

2. Easement Purposes. Grantee, its contractors, agents and invitees, shall have the right to construct, install, use, repair and maintain, remove, replace, inspect, and test the Stormwater System and all facilities appurtenant thereto, in, under, across, along, above and upon the Easement Area, together with the right of ingress and egress relating to such uses.

3. No Interference. After the installation of the Stormwater System, Grantors shall not construct or maintain permanent improvements if such improvements will materially interfere with the Stormwater System.

4. Maintenance.

(a) Grantee is solely responsible for the maintenance, repair and replacement of the Stormwater System and Grantee's improvements and facilities within the Easement Area.

(b) Except as specifically provided herein, Grantee is responsible for all of Grantee's operations and its improvements, maintenance and repair of the Stormwater System within the Easement Area.

(c) The operation and maintenance of the Stormwater System is at the Grantee's sole cost and expense, except as set forth below.

(d) Any construction work by Grantee must be performed at such times and in such a manner as to minimize its impact on Grantors' operations and use of the Transit Center. Grantee must pay the cost to repair any damage to Grantors' Property or operations caused by Grantee or anyone entering the property at the direction of Grantee.

(e) Grantee must provide reasonable notice to Grantors prior to performing any construction, maintenance or repairs in the Property that would materially interfere with Grantor's use and enjoyment of the Scotts Valley Transit Center.

(f) In the event Grantee fails to maintain the Storm Water System and all of Grantee's improvements within the Easement Area in good condition and repair, Grantors may perform all necessary repairs and maintenance and will be entitled to reimbursement from Grantee for expenses reasonably incurred performing such maintenance and repairs; provided however, that Grantors have 1) provided previous written notice to Grantee of the necessary

repairs ; and 2) Grantee fails, within 30 days of receipt of the notice, to (a) carry out such maintenance or repairs or (b) notify Grantors, in writing, of its determination that such maintenance or repairs are unnecessary to maintain the Easement Area in good condition and repair. For purposes of this paragraph, "good condition and repair" means the condition generally maintained by Grantors of the Property. Notwithstanding anything herein to the contrary, nothing in this paragraph will preclude either party from seeking interim or provisional relief, in the form of a temporary restraining order, preliminary injunction or other interim equitable relief concerning the dispute either prior to or during the notice period above, if necessary to protect the interests of such party.

5. Liens and Encumbrances. The Easement granted herein is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, leases and licenses, easements and rights of way that pertain to or are recorded against the Property prior to the Effective Date of this Easement. Any future encumbrances shall not interfere with Grantee's use and enjoyment of the Easement granted herein. Grantee will permit the placement by Grantors of public utilities or infrastructure in the Easement as required to serve Grantors' Property, subject to the requirement that the placement of such encumbrances shall not interfere with the Stormwater System or Grantee's use of the Easement.

6. Compliance with Law. Grantee shall comply with all applicable laws, ordinances and regulations, including, but not limited to, all applicable regulatory, environmental and safety requirements at Grantee's sole cost and expense.

7. Insurance. Grantee shall maintain, and Grantee shall cause its contractors to maintain in full force and effect during the term of this Easement, the following policies of insurance issued by an insurance company or companies authorized to do business in the State of California with a minimum "Best's" ratings of B+ or greater:

(a) Workers Compensation. As required by Section 1860 of the California Labor Code, or any subsequent amendments or successor acts thereto governing the liability of employers to their employees, Grantee shall secure Workers' Compensation coverage with an Employer's Liability Limit of \$2,000,000. Grantee shall insure the procurement and maintenance of such insurance by all contractors or subcontractors engaged on the Property. The policy shall contain a waiver of subrogation in favor of Grantors, their respective successors and assigns, and their respective directors, officers, employees, agents, contractors and any other person acting on Grantors' behalf, as they now or as they may hereafter constituted singly, jointly or severally.

(b) Commercial General Liability. Grantee shall, at its own cost and expense, procure and maintain Commercial General Liability insurance. The policy shall include as additional insured Grantors, their respective successors and assigns, and their respective directors, officers, employees, agents, contractors and any other person acting on Grantors' behalf. The policy shall be primary and contain cross liability and severability of interest clauses. The policy shall have a combined single limit of One Million Dollars (\$1,000,000) for bodily injury and property damage per occurrence. This insurance shall include but not be limited to: premises and operations, contractual liability covering the indemnity obligations contained in this Easement; personal injury, explosion, collapse and underground coverage,

products and completed operations and broad form property damage. The policy shall contain a waiver of subrogation in favor of Grantors, their respective successors and assigns, and their respective directors, officers, employees, agents, contractors and any other person acting on Grantors' behalf, as they now or as they may hereafter constituted singly, jointly or severally.

(c) In addition to the requirements described above, Grantee shall maintain any other insurance that may be required by law statute or governmental regulations.

(d) Evidence of Coverage. Prior to occupying the Property, Grantee shall file a Certificate(s) of Insurance with the Grantors evidencing the coverage and endorsements.

8. Indemnification. To the extent permitted by law, Grantee shall indemnify, defend and hold harmless Grantors, the successor and assigns of any of them, and their officials, officers, agents and employees (collectively "Indemnitees"), from and against any and all liability, loss, damage, claims, expenses and costs arising out of the negligence or wrongful acts of Grantee in connection with Grantee's use or occupancy of the Property that may occur, or that may alleged to have occurred while in, upon, about, or in any way connected to the use of the Property by Grantee, its agents, employees, contractors, subcontractors or invitees. Provided, however, that the foregoing shall not apply to any claims for loss, damage, injury or liability caused solely by the gross negligence or willful misconduct of Indemnitees.

Grantee further agrees to defend (with counsel reasonably satisfactory to Grantors) any and all such actions, suits or claims and pay all charges of attorneys and all other costs and expenses arising there from or incurred in connection therewith, and if any judgment be rendered against the Indemnitees in such action, Grantee shall, at its expense, satisfy and discharge the same. Grantee waives any and all rights to any type of express or implied indemnity against Indemnitees in any way arising from Grantee's use of the Property. This indemnity shall survive the termination of this Agreement, if any. If any term in this indemnity provision is found to be void or unenforceable, the remainder provisions shall remain in full force and effect.

9. Binding on Successors and Assigns. The covenants and agreements contained herein shall run with the land and shall be binding upon and inure to the benefit of Grantors and Grantee, and their successors and assigns.

10. Assignment. Grantee shall not voluntarily or by operation of law, assign, transfer, mortgage, sublet or otherwise transfer or encumber all or any part of Grantee's interest in this Easement or in the use of the Easement and/or Property, without Grantors' prior written consent, which may be withheld in Grantors' sole discretion. Grantors shall respond to Grantee's request for consent thereunder in a timely manner and any attempted assignment, transfer, mortgage, encumbrance or subletting without such consent shall be void, and shall constitute a breach of this Agreement.

11. Severability. The invalidity of any provision of this Agreement as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

12. Entire Agreement. This Agreement contains all agreements of the parties with respect to any matter mentioned herein. No prior agreement or understanding pertaining to any

such matter shall be effective. This Agreement may be modified in writing only, signed by the parties in interest at the time of the modification.

13. Cumulative Remedies. No remedy or election under this Agreement shall be deemed exclusive but shall, whenever possible, be cumulative with all other remedies at law or in equity.

14. Attorneys' Fees. If either party named herein brings an action to enforce the terms hereof or declare rights hereunder, the prevailing party shall be entitled to its reasonable attorneys' fees and court costs to be paid by the losing party.

15. Consent. Whenever under this Agreement the consent or approval of either party is required or a determination must be made by either party, no such consent or approval shall be unreasonably withheld or delayed and all such determinations shall be made on a reasonable basis and in a reasonable manner.

16. Authority. Each individual executing this Agreement on behalf of Grantors or Grantee represents and warrants that he or she is duly authorized to execute and deliver this Easement Agreement on behalf of said party.

17. Counterparts. This Agreement may be executed in one or more counterparts by the parties hereto. All counterparts shall be construed together and shall constitute one Agreement.

IN WITNESS WHEREOF, Grantors and Grantee have executed this Agreement on the day and year first above written.
