

RESOLUTION NO. SA-18

A RESOLUTION OF THE SUCCESSOR AGENCY TO THE SCOTTS VALLEY REDEVELOPMENT AGENCY APPROVING THE LONG-RANGE PROPERTY MANAGEMENT PLAN PREPARED BY THE SUCCESSOR AGENCY PURSUANT TO HEALTH AND SAFETY CODE SECTION 34191.5, DETERMINING THAT APPROVAL OF THE LONG-RANGE PROPERTY MANAGEMENT PLAN IS EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT, AND TAKING CERTAIN ACTIONS IN CONNECTION THEREWITH

RECITALS:

A. Pursuant to Health and Safety Code Section 34175(b) and the California Supreme Court's decision in *California Redevelopment Association, et al. v. Ana Matosantos, et al.* (53 Cal.4th 231(2011)), on February 1, 2012, all assets, properties, contracts, leases, books and records, buildings, and equipment of the former Scotts Valley Redevelopment Agency (the "Agency") transferred to the control of the Successor Agency to the Agency (the "Successor Agency") by operation of law.

B. Pursuant to Health and Safety Code Section 34191.5(b), the Successor Agency must prepare a long-range property management plan which addresses the disposition and use of the real properties of the former Agency, and which must be submitted to the Oversight Board of the Successor Agency (the "Oversight Board") and the Department of Finance (the "DOF") for approval no later than six months following the issuance by DOF to the Successor Agency of a finding of completion pursuant to Health and Safety Code Section 34179.7.

C. Pursuant to Health and Safety Code Section 34179.7, DOF issued a finding of completion to the Successor Agency on April 3, 2013.

D. The staff of the Successor Agency has prepared and submitted to the Board of the Successor Agency the long-range property management plan attached hereto as Exhibit A (the "LRPMP"), which LRPMP addresses the disposition and use of the real properties of the former Agency and includes the information required pursuant to Health and Safety Code Section 34191.5(c).

NOW, THEREFORE, THE SUCCESSOR AGENCY TO THE SCOTTS VALLEY REDEVELOPMENT AGENCY HEREBY FINDS, DETERMINES, RESOLVES, AND ORDERS AS FOLLOWS:

Section 1. The above recitals are true and correct and are a substantive part of this Resolution.

Section 2. The Successor Agency hereby approves the LRPMP substantially in the form attached hereto as Exhibit A. The Executive Director of the Successor Agency, in consultation with the Successor Agency's legal counsel, may modify the LRPMP as the Executive Director or the Successor Agency's legal counsel deems necessary or advisable.

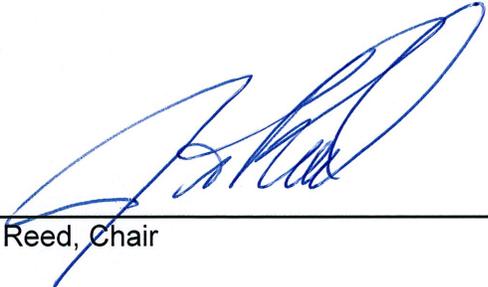

Section 3. Pursuant to Health and Safety Code Section 34180(j), Staff of the Successor Agency is hereby authorized and directed to transmit the LRPMP to the Oversight Board, the County Administrative Officer, the County Auditor-Controller, and DOF.

Section 4. The staff and the Board of the Successor Agency are hereby authorized and directed, jointly and severally, to do any and all things which they may deem necessary or advisable to effectuate this Resolution and any such actions previously taken are hereby ratified.

Section 5. This Resolution has been reviewed with respect to the applicability of the California Environmental Quality Act (Public Resources Code Section 21000 *et seq.*) ("CEQA"). Pursuant to the State CEQA Guidelines (14 Cal Code Regs 15000 *et seq.*)(the "Guidelines"), the Successor Agency has determined that the approval of the LRPMP is not a project pursuant to CEQA and is exempt therefrom because it is an organizational or administrative activity of government that will not result in direct or indirect physical changes in the environment (Guidelines Section 15378(b)(5)). Further, it can be seen with certainty that there is no possibility that approval of the LRPMP may have a significant effect on the environment, and thus the action is exempt from CEQA (Guidelines Section 15061(b)(3)). Staff of the Successor Agency is hereby directed to prepare and post a notice of exemption pursuant to Guidelines Section 15062.

PASSED AND ADOPTED this 19th day of March 2014.

Scotts Valley Redevelopment Successor Agency Long-Range Property Management Plan

This Long-Range Property Management Plan (the "Plan") has been prepared and will be processed by the Scotts Valley Redevelopment Successor Agency (the "Successor Agency") for the Redevelopment Agency of the City of Scotts Valley (the "Former Redevelopment Agency") in accordance with Health and Safety Code Section 34191.5.

The Former Redevelopment Agency was dissolved on February 1, 2012. The Successor Agency is now responsible for disposition of the Property in accordance with the procedures and requirements of ABx1 26 and AB 1484 (the "Redevelopment Dissolution Statutes"), the statutes that govern the dissolution of the Former Redevelopment Agency and the liquidation of its former property.

On April 3, 2013, the Successor Agency was issued its Notice of Completion. Therefore, the remaining actions needed for this Plan to become effective are the approvals of the Oversight Board and the State Department of Finance.

Attached is a separate page for each of the six properties discussed in this Plan. These pages include the information required by Health and Safety Code Section 34191.5. After each of these pages is a County Assessor's parcel map of the property. At the end of this Plan are aerial maps of the properties.

The properties include in this Plan are:

<u>Property #</u>	<u>Description</u>	<u>Location</u>
1	Vacant Land	260 Mt. Hermon Road
2	Developed City Park	361 Kings Village Road
3	Library/Performing Arts Theater	251 Kings Village Road

Further background information for Property 1 is provided on the next page.

Background Information Regarding Property 1:

This property is a part of what is known as the Scotts Valley Town Center Project (Project). The Project encompasses nine parcels totaling 15 acres of currently undeveloped land and was originally proposed in the Redevelopment Plan in 1991 and as part of the Skypark Specific Plan which was originally approved in September 1992. Earlier, the Town Center project area was known as Skypark. The Specific Plan was later amended in November 1994, November 1996, March 1998 and finally in November 2008 when it became the Scotts Valley Town Center Specific Plan.

The need for the preparation of a Specific Plan for Skypark was identified during the process of preparing the 1986 General Plan for the City of Scotts Valley. The General Plan emphasizes the need for a commercial development and housing within the city's commercial core area. The Skypark area was identified in the General Plan as a preferred commercial infill site.

The Project has had several developers analyze it over the years. However, a major step forward for this Project came in August of 2007 when the former Scotts Valley Redevelopment Agency (RDA) entered into an agreement with RRM Design Group to prepare a more detailed specific plan that would provide the blueprint for the Project and detailed design principles and guidelines, land use, circulation, landscape/streetscape guidelines, infrastructure and implementation. The Town Center Specific Plan and associated Environmental Impact Report were completed and approved in October 2008. The Specific Plan allows for 180,000 square feet of retail and 250 residential units on the 15 acres.

One of the major impediments to the Project was the location of two propane companies adjacent to the Project area. In January 2010 the RDA entered into a purchase agreement with one of the companies to purchase its property and assist with relocation costs. In May 2011 the City adopted an ordinance prohibiting propane facilities within the City after a period of years. That company has now relocated outside the Scotts Valley city limits. The elimination of the propane facilities in the Project Area was the second major step for the Project.

Since that time, the former RDA entered into exclusive negotiating agreements with 3 different developers. Each time the developers were unable to complete the Project due to the project costs. To assist with the development of the Project, the RDA purchased Property 1 in February 2011, with the intent of selling them to the developer of the Project.

In December 2012, the City entered into an Exclusive Negotiating Agreement with Property Development Centers, LLC (PDC) for the development of the Project. This Long-Range Property Management Plan calls for the sale of this property to a developer of this Project. With an executed development agreement, this property would be sold at the appraised value determined by a certified real estate appraiser to PDC. PDC has already entered into other property purchase agreements for properties other than the one identified in this Plan.

**Scotts Valley Redevelopment Successor Agency
Long-Range Property Management Plan
Property 1**

Property Address: 260 Mt. Hermon Road, Scotts Valley, CA 95066
APN #: 022-231-03
Lot Size: 66,178 sq ft
Zoning: Commercial-Service

Date of Acquisition: February 18, 2011
Purchase Price: \$2,410,509
Estimated Current Value: \$1,125,000

Environmental Contamination: No

Transit-Oriented Development: See "Use or Disposition" below.

History of Development Proposals: See "Use or Disposition" below.

Lease/Rental Income Estimate: None.

Use or Disposition:

(See additional background information for this property on page 2)

This property was purchased by the former Scotts Valley Redevelopment Agency in connection with the mixed-use development of a Town Center in Scotts Valley. The City has already approved a Specific Plan for this development and approved the related Environmental Impact Report. The City has entered into an Exclusive Negotiating Agreement (Agreement) with a developer for the Town Center project. This Plan hereby directs that this property be held by the Scotts Valley Redevelopment Successor Agency for this future development. The property will be sold either to the current developer under Agreement, or other future developer, at a price established by an appraisal by a certified real estate appraiser. The proceeds will be transmitted to the County of Santa Cruz where they will be distributed to the taxing entities.

**Scotts Valley Redevelopment Successor Agency
Long-Range Property Management Plan
Property 2**

Property Address: 361 Kings Village Road, Scotts Valley, CA 95066
APN #: 022-721-02
Lot Size: 678,096 sq ft
Zoning: Public / Quasi Public

Date of Acquisition:
Purchase Price: \$3,840,348
Estimated Current Value: \$3,840,348

Environmental Contamination: No

Transit-Oriented Development: No

History of Development Proposals: See "Use or Disposition" below.

Lease/Rental Income Estimate: None.

Use or Disposition:

This property was purchased by the former Scotts Valley Redevelopment Agency and developed into a City park including soccer fields, playground, bocce ball court, and skateboard facility. This Plan hereby directs that this property be transferred to the City of Scotts Valley to continue to be maintained and used as a City park.

**Scotts Valley Redevelopment Successor Agency
Long-Range Property Management Plan
Property 3**

Property Address: 251 Kings Village Road, Scotts Valley, CA 95066
APN #: 022-211-80 & 31
Lot Size: 88,336 & 965 sq ft
Zoning: Commercial – Shopping Center

Date of Acquisition: July 17, 2009
Purchase Price: \$8,401,783 (including improvements)
Estimated Current Value: \$8,401,783

Environmental Contamination: No

Transit-Oriented Development: No

History of Development Proposals: See “Use or Disposition” below.

Lease/Rental Income Estimate: One dollar per year for library.

Use or Disposition:

This property includes an approximately 22,250 square foot building that contained a roller skating rink. After the former Scotts Valley Redevelopment Agency purchased the building, approximately 13,150 square feet of the building was renovated into the Scotts Valley Branch Library as part of the County library system. This satisfied an agreement with the County of Santa Cruz when the Redevelopment Agency was formed. The remaining approximately 9,100 square feet of the building is being considered for a City performing arts theater.

The City has paid for architectural renderings to renovate the current vacant side of the building into a performing arts theater. The City has entered into an Exclusive Negotiating Agreement with the Scotts Valley Community Theater Guild (Guild), a 501 (c) (3) organization, to provide them a set time to secure funding for renovations and operations of a performing arts theater at this location.

This Plan hereby directs that the property be transferred to and be retained by the City and continue to lease the library area to the Santa Cruz County Library system to be operated as a library. Further, the City will continue to work with the Guild to renovate the vacant side of the building to be used as a City performing arts theater. If the funding for a performing arts theater does not materialize, then the Successor Agency will review and recommend another civic use compatible with that location.
