

HOW TO OBTAIN A TYPING CERTIFICATE

Applicants are required to accurately type at least 60 wpm for this position.

Requirements:

- The City of Scotts Valley will accept original typing certificates as verification of an applicant's typing speed; copies of typing certificates will not be accepted.
- The certificate may be issued by a college, temporary agency or other accredited agency and must include the following information: the **gross words per minute**, the **number of errors**, and the **net words per minute**.
- **Online typing tests or certificates will not be accepted.**
- The certificate must have been issued within one year of the recruitment's final filing date.

WHERE TO GO FOR A TYPING CERTIFICATE:

The following local temporary agencies issue typing certificates. If you call to schedule an appointment with one of the agencies listed below, inform the agency that you will need the typing certificate for a City of Scotts Valley job application.
