WASTEWATER PLANT OPERATOR IN TRAINING

FINAL FILING DATE: 5:00 PM – January 12, 2018

Salary Range: \$3,149 to \$4,219 / month
Full Time Permanent
Excellent Benefits / Fully Paid Medical Insurance

Job Purpose: Under supervision, to learn and assist in the operation and maintenance of the wastewater treatment plant; and to do related work as required. This is the entry level class in the wastewater operations series.

Education, Experience and Licenses: Any combination equivalent to completion of high school and some experience in routine maintenance of electrical and motor driven equipment, and willingness to take the qualifying course for certification; possession of a valid California Class B motor vehicle license within one year. The Operator-in-training is expected to successfully complete the requirements for a Grade I certificate within 18 months from the date of employment.

Ability To: Understand and follow oral and written instructions; lift heavy articles; learn wastewater treatment processes; operate a 10-wheel, 3-axle dump truck; learn to operate equipment used in a wastewater treatment plant; read and interpret gauges and recording devices reflecting plant operations; maintain effective working relationships with other employees; communicate in a courteous manner with the public; and be available for 24-hour on-call duty when assigned.

Knowledge Of: The care and maintenance of mechanical equipment such as pumps, valves and electric motors; basic mechanical and mathematical principles; proper procedures for working safely; buildings and grounds maintenance practices.

A **City Application is required** for each applicant. Complete job specification and application are available at City Hall, 1 Civic Center Drive, Scotts Valley, CA 95066, (831) 440-5602, or online at: <http://www.scottsvally.org/administration/employment.html>. *The passing of a pre-employment physical, which may include a drug and alcohol test, and Department of Justice fingerprinting, will be performed as a condition of employment.*

Benefits: The City of Scotts Valley participates in the Public Employees' Retirement System (PERS). New State laws have established the following retirement requirements:

- Candidates currently enrolled in the PERS system: 2.5% @55. **City pays employee portion**
- Candidates new to the PERS system or who have had more than a six-month break from PERS: 2% @62, with a 6.25% contribution
- Fully paid medical insurance
