SUMMARY OF ISSUE

As vacancies occur, or due to an election or re-election of a Council Member, a member of the Council may nominate a new individual to serve on a City Commission, Committee, and/or Board. All appointments must be approved by the City Council.

With the appointment of Lori Gentile to the Planning Commission, there is a vacancy on the Parks and Recreation Commission. An application has been submitted by Cathie Simonovich, and Council Member Jim Reed has nominated Ms. Simonovich to serve on the Parks and Recreation Commission. Upon Council approval, Ms. Simonovich will fill the vacancy left by Lori Gentile.

FISCAL IMPACT

None.

STAFF RECOMMENDATION

It is recommended that the City Council ratify the appointment of Cathie Simonovich to serve on Parks and Recreation Commission.

*If you are appointed to a city commission or board, you may be required to file a Statement of Economic Interests (FPPC Form 700). The Form 700 is a State-mandated public document disclosing certain business, property and investment holdings which might conflict with the member’s decisions. The City Clerk’s Office will supply the Form 700 upon appointment.

Summarize your interests, education, and/or experience as they relate to this position.

I have raised my family in Scotts Valley over the past 21 years. We love Scotts Valley, and we have used its resources to the fullest extent. We have enjoyed all of the parks, the Siltanen pool, the Community Center, the 4th of July festivities, hiking, biking and much more.
Explain how you believe you can contribute toward the effectiveness of this position.

I continue to be active outside and I use the parks multiple days every week. I believe that I can bring my own unique experiences and perspectives to the Parks and Recreation Commission.

Summarize your participation in civic or community activities.

When my children were very young I was president of the Scotts Valley division of the Santa Cruz Mothers Club. Then, when my children were school-age I was active in the PTA and participated in all of the related-school and community events. As the kids continued through Scotts Valley schools, I was an active volunteer for the middle school and high school mountain bike teams (sanctioned by the National Interscholastic Cycling Association - NICA). I currently work for Scotts Valley Unified School District and participate in the school-related events, and fundraising events. Finally, I worked on the Measure A parcel tax committee which ultimately prevailed.

SUMMARY OF ISSUE

From time to time, updates to job descriptions are needed to better reflect a position’s current duties and responsibilities. Attached for Council’s consideration are updates to the City Clerk and Accountant I class specifications and Police Captains’ salary schedules, and establishment of Public Works Director/City Engineer/Deputy City Manager as an authorized, unfunded position. The sections below summarize the proposed changes.

Accountant I

The City if currently recruiting for an Accountant I. The attached class specification needs to be updated to reflect a broader array of financial and budget related duties, including but not limited to: accounts payable/receivable processing, utility billing, and budget tracking, monitoring, and development responsibilities. Only the class specification will be update; there are no proposed changes to the existing salary schedule.

City Clerk

To better reflect the duties performed by the current City Clerk, the position’s class specification and salary schedule have been updated; the current job description has not been modified since 1988. The City Clerk’s responsibilities have changed dramatically over the past several decades due to changes in staffing and technology. In addition to serving as the City Elections Official, the City Clerk performs a variety of administrative, analytical, managerial duties, including but not limited to: public relations, website and social media management, budget development, management of contracts and agreements, and coordination of employee recruitment, training, and orientation activities. The education and experience requirements have been updated to include the ability to obtain a Certified Municipal Clerk designation within two years and Notary Public within six months. These two conditions were not previously required. Last, the City Clerk/Administrative Manager continues to be an at-will, non-department head position appointed by the City Manager.
Police Captain

The Police Captain has been an unfilled position in the organization since 2007 when the decision was made to have this role filled by the Police Lieutenant classification. Over the course of the past twelve years, the role of the Lieutenant has evolved as it has taken on new responsibilities. Given this, the existing two Lieutenants will now serve as Police Captains. This restructuring will require a modest update to the Police Captain salary schedule, which is attached. The Police Captain continues to be an at-will, non-department head position appointed by the Chief of Police.

Public Works/City Engineer/Deputy City Manager

Also attached is a new class specification for the position of Public Works Director/City Engineer/Deputy City Manager. This class specification was authorized (not funded) for the Community Development Director and Administrative Services Director, but not the Public Works Director/City Engineer. To correct this administrative oversight, a new class specification and corresponding salary schedule has been created. There is no fiscal impact associated with establishing the position and salary schedule as it would be an authorized, unfunded position.

FISCAL IMPACT

The total fiscal impact associated with updating the City Clerk and Police Captain salary schedules is approximately $3,500. This amount can be absorbed in the FY 2018/19 budget and no budget adjustment is required.

In addition, there is no fiscal impact associated with updating the class specification for the Accountant I position or establishing a new class specification and salary schedule for Public Works Director/City Engineer/Deputy City Manager position.

STAFF RECOMMENDATION

It is recommended that City Council approve the updated City Clerk/Administrative Manager class specification and salary schedule, modified Accountant I class specification, revised Police Captain salary schedule, and establish a new class specification for the position of Public Works Director/City Engineer/Deputy City Manager.

CITY OF SCOTTS VALLEY UPDATING THE POLICE CAPTAIN
SALARY RANGE ON THE SALARY SCHEDULE

WHEREAS, the Police Captain has been an unfilled position in the organization since 2007 when the decision was made to have this role filled by the Police Lieutenant classification; and

WHEREAS, over the course of the past twelve years, the role of the Lieutenant has evolved as it has taken on new responsibilities. Given this, the existing two Lieutenants will now serve as Police Captains; and

WHEREAS, this restructuring will require a modest update to the Police Captain salary schedule; and

WHEREAS, City Council approval is needed to update this salary range.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED by the City Council of the City of Scotts Valley that the updated Police Captain salary range will be set as follows:

CITY COUNCIL APPROVAL DATE: April 17, 2019
SUMMARY OF ISSUE

Periodically, the City reviews existing positions to determine if they meet internal, external and regulatory needs and requirements. During transition or vacancy situations, staff is often asked to provide additional responsibilities to maintain the level of service to the community. The State of California maintains and periodically updates requirements for municipalities concerning State licenses and permits. Upon review of the existing Senior Wastewater Laboratory Analyst position, it was determined that the job classification did not match the position’s current requirements dictated to the City by the State in regards to standard laboratory operations. As a result, the state has determined that a person managing a licensed laboratory, that is certified by the state must be at a management or Director level to ensure the reporting person has the appropriate authority to carry out the permit requirements. A new job description has been developed to better reflect existing and additional responsibilities required by the state to operate our Waste Water Plant Lab. This position will serve as a promotional opportunity and the existing Senior Wastewater Laboratory Analyst will no longer be funded.

Consistent with labor law, staff has conferred with the appropriate bargaining group regarding proposed position. Council authorization is required to create the Wastewater Laboratory/Environmental Compliance Manager position and establish the salary range.

FISCAL IMPACT

The fiscal impact associated with the creation of the Wastewater Laboratory/Environmental Compliance Manager; the expense can be absorbed into the FY 2018/19 budget due to current vacancies and other savings. In addition, the new job specification will not increase the City full-time employee count.
STAFF RECOMMENDATION

It is recommended that the City Council adopt Resolution No. 1955.1, designating the job classification of Wastewater Laboratory/Environmental Compliance Manager and adding a salary range to the salary schedule.

SUBJECT: REQUEST FOR NON-COLLECTION OF FEES FOR THE EXCHANGE CLUB OF SCOTTS VALLEY

SUMMARY OF ISSUE

The Exchange Club of Scotts Valley is holding their annual Blue and Gold Awards Dinner at the Community Center on May 10, 2019. The purpose of the dinner is to honor the police and firefighter of the year. Attendees will be the honorees and their families, members of the fire and police departments, Scotts Valley officials and supporters from throughout the community. The Exchange Club has requested that City Council not collect the $1,000 facilities use permit fee for the use of the Community Center. The consideration for the non-collection of fees is in line with past practices.

FISCAL IMPACT

The fiscal impact associated with this action will result in a loss of General Fund revenue in the amount of $1,000. Facility rental and/or event permit revenue not collected from non-profit organizations for community events is estimated to be approximately $9,300 per year.

STAFF RECOMMENDATION

It is recommended that Council consider and approve the request for the non-collection of fees.

RE: Request for Non-Collection of Fees – Blue and Gold Awards Dinner

Dear Mayor and City Council,

For many years, the Exchange Club of Scotts Valley has been honoring Scotts Valley's police and firefighter of the year. This year the celebration will be held at the Scotts Valley Community Center on the evening of May 10th. Attendees will be the honorees and their families, members of the fire and police departments, Scotts Valley officials and supporters from throughout the community.

This time-honored event is NOT a fundraiser for the Exchange Club, which is a non-profit service club dedicated towards supporting our City's public safety agencies. The Exchange Club of Scotts Valley is requesting the City forego the usual collection of fees associated with the use of the Community Center, with the exception of cleaning services.

We appreciate your continued support and dedication to the fine men and women of the Scotts Valley police and fire services.

SUBJECT: CONSIDER AGREEMENT FOR PROFESSIONAL SERVICES TO PROVIDE BUILDING DEPARTMENT SERVICES WITH CSG CONSULTANTS, INC. FOR PERMIT TECHNICIAN, PLAN CHECK SERVICES AND BUILDING INSPECTION SERVICES

SUMMARY OF ISSUE

Since 2015, CSG Consultants has provided building services for the City of Scotts Valley. Building services include plan review, building inspection, permit technician services, and some code enforcement services. In keeping with best practices, an Agreement for Professional Services has been drafted to reflect the services CSG currently provides to the City. These services are reflected in Scope of Services in the attached agreement. Based on the prior year’s expenditures, the Agreement is based on a not to exceed amount of $450,000. The Agreement will remain in place until it is terminated by either party with or without cause, upon fifteen days with written notice of termination.

FISCAL IMPACT

There is no fiscal impact associated with the approval of the attached agreement; funds for building services in the amount of approximately $450,000 were included in the FY 2018/19 budget.

STAFF RECOMMENDATION

It is recommended that the City Council approve the Agreement for Professional Services between the City of Scotts Valley and CSG Consultants, Inc., to provide building services to the community.

AGREEMENT FOR PROFESSIONAL SERVICES

This Agreement for Professional Services ("Agreement") is made and entered into as of April 17, 2019, by and between the City of Scotts Valley, a municipal corporation, hereinafter referred to as "CITY", and CSG Consultants, Inc., hereinafter referred to as "CONSULTANT".

RECITALS

A. CITY desires to retain Consultant for certain professional services as set forth in this Agreement.

B. CONSULTANT is specially trained, experienced and competent to perform the special services which will be required by this Agreement.

C. CONSULTANT possesses the skill, ability, background, certification and knowledge to provide the services described in this Agreement on the terms and conditions described herein.

NOW, THEREFORE, in consideration of the recitals and the mutual promises contained herein, CITY and CONSULTANT agree as follows:

AGREEMENT

1. Employment of CONSULTANT: CITY agrees to, and hereby does, retain and employ CONSULTANT to perform the professional services as outlined in the Scope of Work attached hereto and incorporated herein as Exhibit “A”. CONSULTANT’S work product shall be performed pursuant to generally accepted standards of practice in effect at the time of performance.

2. Responsible Personnel: CITY has relied upon the professional training and ability of CONSULTANT to perform the services hereunder as a material inducement to enter into this Agreement. Primary personnel responsible for the completion of the work described in this Agreement shall be: Chai Lor, Building Inspection Manager, whose address is; 550 Pilgrim Drive, Foster City, CA 94404; telephone: 650-522-2500; fax: 650-522-2599; Email: csgstaff@csgengr.com

3. Scope of Work: CONSULTANT shall perform the services as specified in Exhibit A in a professional manner.
4. **Time of Performance:** The services of CONSULTANT are to commence upon execution of this Agreement and shall continue until all authorized work is approved by the CITY. No waiver by either party hereto of the nonperformance or any breach of any term, provision, or condition of this Agreement, or any default hereunder shall be considered to be or operate as a waiver of any subsequent nonperformance, breach or default.

5. **Compensation:** CONSULTANT shall accept compensation for services performed as set forth in Section 3 in an amount not to exceed $450,000. Periodic payments to CONSULTANT shall be made upon submittal of invoices by CONSULTANT to CITY for review and approval by the City Manager. Invoices will be paid by CITY within a reasonable time after the invoices are received and approved.

6. **Insurance:** CONSULTANT agrees to have and maintain, for the duration of the contract, the following:
   i. General Liability insurance policies insuring him/her and his/her firm to an amount not less than One Million Dollars ($1,000,000) combined single limit per occurrence for bodily injury, personal injury and property damage.
   ii. Automobile Liability insurance policy ensuring him/her and his/her staff to an amount not less than One Million Dollars ($1,000,000) combined single limit per accident for bodily injury and property damage.
   iii. CONSULTANT agrees to have and maintain, for the duration of the contract, professional liability insurance in amounts not less than $1,000,000 which is sufficient to insure CONSULTANT for professional errors or omissions in the performance of the particular scope of work under this agreement.
   iv. CONSULTANT shall provide to the CITY all certificates of insurance, with original endorsements effecting coverage. CONSULTANT agrees that all certificates and endorsements are to be received and approved by the CITY before work commences.
   v. The CONSULTANT'S insurance coverage shall be primary insurance as respects the CITY, its officers, officials, employees and volunteers. Any insurance or self-insurances maintained by the CITY, its officers, officials, employees or volunteers shall be excess of the CONSULTANT'S insurance and shall not contribute with it.

7. **Indemnity:** CONSULTANT shall hold harmless, indemnify and defend CITY, its elective and appointive boards, commissions, officers, agents, servants, volunteers, and employees from and against any and all claims, costs, damages, liability, losses, or suits (including court costs and attorney fees) for personal injury (including death), property damage and any other damages of any sort whatsoever, arising out of, or alleged to have arisen out of, the willful or negligent acts, errors, or omissions of CONSULTANT or CONSULTANT'S contractors, subcontractors, agents, or employees in the performance of this Agreement. This indemnity shall not apply to any claims brought by CONSULTANT for default of this Agreement, or for claims brought by CITY...
or any third party where the underlying injury or damage is finally determined by a court of competent jurisdiction to arise solely from the negligent or willful misconduct of CITY.

8. **Termination:** This Agreement may be terminated by the CITY immediately for cause or by either party without cause upon fifteen days’ written notice of termination. Upon termination, CONSULTANT shall be entitled to compensation for services performed up to the effective date of termination.

   CONSULTANT shall accept, for itself, as full payment for services rendered and all work to be done and performed hereunder and in complete satisfaction of all claims against CITY by reason of voluntary abandonment or suspension of work or termination of the Agreement, the sum determined on an hourly basis in accordance with the provisions of this Agreement, or any modification of amendment thereto, plus all direct expenses incurred, including those expenses incurred which are directly attributable to the incomplete portion of the work which could not be canceled.

   In the event of termination, CONSULTANT shall deliver as a condition to the payment of the compensation provided for above, or otherwise make available to CITY, all research data, reports, estimates, summaries, and other such information and materials as may have been accumulated by CONSULTANT in performing this Agreement, whether completed or in process in accordance with Section 9 of this Agreement.

9. **Documents:** Notes, studies, chain, computations, electronic files, and other data and information obtained by CONSULTANT for this project shall, upon receipt of payment for services rendered, be made available to CITY by CONSULTANT at CITY’S request and shall become the property of CITY. In the event CITY alters the document, CITY agrees CONSULTANT shall have no responsibility whatsoever for any claim arising out of, or alleged to have risen out of, use of the altered document.

   All plans, studies, documents, charts, computations, and electronic files prepared by and for CONSULTANT, its officers, employees and agents and subcontractors in the course of implementing this Agreement, except working notes and internal documents, shall become the property of the CITY upon payment to CONSULTANT for such work, and the CITY shall have the sole right to use such materials in its discretion without further compensation to CONSULTANT or to any other party. CONSULTANT shall, at CONSULTANT’S expense, provide such reports, plans, studies, documents and other writings to CITY upon written request.

10. **Independent Contractor:** CONTRACTOR is an independent contractor retained by CITY to perform the work described herein. ALL personnel employed by CONSULTANT are not and shall not be deemed to be employees of CITY. CONSULTANT shall obtain no rights to retirement benefits or other benefits that accrue
to CITY’S employees, and CONSULTANT hereby expressly waives any claim it may have to such rights. CONSULTANT shall comply with all state and federal laws pertaining to employment and compensation of its employees and its agents, including the provision of Workers' Compensation.

11. **Licenses:** CONSULTANT represents and warrants to CITY that it has all licenses, permits, qualifications, insurance and approvals of whatsoever nature which are legally required of CONSULTANT to practice its profession. CONSULTANT represents and warrants to CITY that CONSULTANT shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement, any licenses, permits, insurance and approvals which are legally required of CONSULTANT to practice its profession. Consultant shall maintain a City of Scotts Valley business license.

12. **Assignment:** The parties recognize that a substantial inducement to CITY for entering into this Agreement is the professional reputation, experience and competence of CONSULTANT. Assignments of any or all rights, duties or obligations of the CONSULTANT under this Agreement will be permitted only with the express consent of the CITY. CONSULTANT shall not subcontract any portion of the work to be performed under this Agreement without the written authorization of the CITY. If the CITY consents to such subcontract, CONSULTANT shall be fully responsible to CITY for all acts or omissions of the subcontractor. Nothing in this Agreement shall create any contractual relationship between CITY and subcontractor nor shall it create any obligation on the part of the CITY to pay or to see to the payment of any monies due to any such contractor other than as otherwise required by law.

13. **Binding on Successors:** This Agreement is binding on the heirs, successors and assigns of the parties hereto.

14. **Amendment:** This Agreement may be amended, modified or changed by the parties, provided that said Agreement, modification or change is in writing and approved by the authorized representative of the parties.

15. **Applicable Law and Attorney's Fees:** This Agreement shall be construed and enforced in accordance with the laws of the State of California, and any action brought relating to this Agreement shall be held exclusively in a state court in the County of Santa Cruz. Should any legal action be brought by a party for breach of this Agreement or to enforce any provision of the Agreement, the prevailing party of such action shall be entitled to recover its reasonable litigation expenses, including attorney fees.

16. ** Entire Agreement:** This Agreement contains the entire understanding between the parties with respect to the subject matter herein. There are no representations, agreements or understandings. Whether oral or written, between or among the parties
relating to the subject matter of this Agreement which are not fully expressed herein. The drafting and negotiation of this Agreement have been participated in by each of the parties and/or their counsel, and for all purposes this Agreement shall be deemed to have been drafted jointly by all parties.

17. **Waiver:** Waiver of a breach or default under this Agreement shall not constitute a continuing waiver of a subsequent breach of the same or any other provision under this agreement.

18. **Severability:** If any term or portion of this Agreement shall be held by a court of competent jurisdiction to be invalid, illegal, or otherwise unenforceable, the remaining provisions of this Agreement shall continue in full force and effect.

WITNESS WHEREOF this Agreement is executed by CITY and by CONSULTANT on this ___ day of ______________, 2019, at Scotts Valley, California.

Letter of Transmittal

March 5, 2019

Taylor Bateman  
Community Development Director  
City of Scotts Valley  
One Civic Center Drive  
Scotts Valley, CA 95066

Re: Building Department Services

Dear Mr. Bateman:

CSG Consultants, Inc. (CSG) is pleased to present this Statement of Qualifications for building department services to the City of Scotts Valley (City). Our firm brings specialized expertise, proximity, and highly knowledgeable and experienced staff.

CSG can readily provide building official, plan review, inspection and permit technician services as well as code enforcement services, and no sub-consultants will be used. All proposed CSG staff are registered, ICC certified, with additional qualifications including LEED, DSA, and CASp experience and certification. Many of our proposed staff members are cross-trained in multiple service levels, providing our clients with increased efficiency as well as the ability to provide on-call staffing depending upon the City’s fluctuating needs. A small sampling of communities in the region for which we have provided similar services includes:

- City of Santa Cruz  
- City of Gilroy  
- City of Millbrae
- Town of Woodside  
- City of Foster City  
- City of South San Francisco

CSG works solely for public agencies, currently furnishing building and safety, public works, planning, fire prevention, code enforcement as well as additional services to over 175 clients, including many neighboring communities. Our corporate office is in Foster City and, with a reasonable lead time, we can be available for meetings at City Hall when requested. Chai Lor, Building Inspection Manager, will serve as the project manager if awarded a contract with the City. His contact information is as follows:

Chai Lor | Building Inspection Manager  
(530) 531-5343 Cell | chail@csgengr.com

Please feel free to contact Mr. Lor at the number above with any questions or comments you may have regarding our statement of qualifications. We look forward to an opportunity to continue to provide services to the City of Scotts Valley.

Sincerely,

Doug Rider, CBO  
Building Services Manager, CSG Consultants, Inc.

Firm Summary

CSG Consultants, Inc. (CSG) is a California company with our corporate office in Foster City. Additional support is available from our regional offices in San Jose, Pleasanton, Sacramento, Newman, Redlands, and Orange. Founded in 1991, CSG performs work solely for public agencies, eliminating the potential for conflicts of interest. In this way, we can focus exclusively on the specific needs of our municipal clients.

CSG provides a wide range of services to community development and public works departments, often serving as a seamless extension of City staff. The majority of the 300+ individuals within our firm have provided public agency services throughout their entire careers. Our talented personnel bring a wealth of ideas and experiences having held positions with communities facing similar development issues as the City of Scotts Valley. Depending upon the needs of our clients, we can serve in either a project-specific or on-call staff augmentation capacity.

Qualifications

METHODOLOGY

CSG’s staff will be selected to best support the City’s needs and will deliver the highest level of service through application of technical expertise, knowledge of municipal processes and procedures, efficient and effective customer care, and application of code compliance combined with innovative and helpful alternatives. Our extensive experience in furnishing comprehensive building and fire life safety services to jurisdictions provides a consistent, strong technical foundation to all projects. From cutting edge digital plan review and online plan check status reporting to providing faster-than-scheduled turnaround times, CSG will deliver the highest quality services to the City of Scotts Valley.

Key benefits that we offer include:

- **Concentrated focus on cost-saving approaches and methods.** Because we serve numerous municipalities and agencies, we are constantly improving and adapting to provide our clients with the most cost-effective services.

- **Customized, responsive services.** We are skilled at assessing time commitments, developing an accurate work plan and applying dedicated, professional personnel. We can quickly fine-tune staffing levels to match or adjust to changes in plan review, inspection and front counter activity. And, with our digital plan review capabilities, we are able utilize resources from any of our regional offices.

- **A wealth of fully committed and qualified personnel.** We maintain staff that is fully licensed and certified at the highest level of industry standards. To keep our personnel on the industry’s leading edge, many serve as popular educational instructors and lecturers as well as sit on boards and committees for organizations developing and implementing important code regulations. We also keep up with latest in procedures and use of products, e.g., green building, accessibility, CASp certification requirements, NPDES, MRP, and more.

- **Rapid turnarounds and expedited services.** With extensive experience in the digital plan review process combined with extensive code application experience, our staff excels at providing expeditious turnarounds. We easily match and more often beat any required turnaround deadlines.

- **Leading-edge, cost-saving technology.** CSG offers a suite of digital options— speedy digital plan reviews including electronic versions of plan comments; an easy-to-use web portal for plan submittal, tracking and approval of digital plans; and available full scanning and archiving services.

- **Environmentally friendly practices.** Our corporate policy on sustainability supports a healthy environment, reduces our carbon footprint and promotes environmental stewardship through environmentally preferable purchasing and other sustainability actions. Our digital plan review system encourages the bypass of paper use, and all possible documents at CSG are printed double-sided on recycled, post-consumer content paper.
FIELD INSPECTION SERVICES

Standards and Responsibilities
CSG provides fully integrated, multi-disciplined building and fire inspection services for residential, commercial, and industrial projects, and are experienced in all construction types. We provide experienced, ICC certified (and/or with other appropriate entities in accordance with AB717) inspectors.

Our inspectors ensure compliance with applicable codes and requirements by identifying code violations, offering solutions to developers, property owners and tenants on potential risks and safety hazards, and by working as a team to correct violations. Specific responsibilities include but are not limited to the following:

- Providing inspection services for project compliance with relevant codes including accessibility, fire, grading, building, electrical, mechanical and plumbing
- Addressing resident inquiries and resolving complaints
- Assisting with the construction and demolition permitting process
- Providing code administration, inspection and enforcement
- Maintaining records and files concerning construction permits and building code administration, documents for storage and/or imaging

Our inspection staff easily integrates into client organizations, consistently implementing policies and procedures, while remaining transparent to applicants and customers.

CASp Inspection Services
To facilitate the City’s compliance with current rules and regulations, CSG can provide a CASp certified professional for technical questions and interpretations, and to perform accessibility compliance inspections and CASp inspection report development.

Continuing Certification and Training
We take pride in providing inspectors who have a variety of inspection project experience and who are motivated to achieve the highest level of certification. We work hard to match your jurisdiction’s level of safety and code compliance and understand that personality and customer service are crucial to on-the-job success. All CSG inspectors are ICC certified and/or possess additional required certifications. In addition, they routinely update their knowledge and skills through specialized training classes and seminar attendance in approved and modern methods, materials, tools and safety used in building inspection, as well as the most current building standards.
PERMIT PROCESSING SERVICES & FRONT COUNTER SUPPORT

CSG has highly qualified staff available to provide Permit Technician, Planning Technician and Development Review Technician services. These frontline, first response services are vital to the success of the entire building and safety permit process as they often set the tone for the applicant whether a homeowner, contractor, or architect. CSG handpicks exceptionally qualified personnel with a central focus on operating as an extension of the City’s team, understanding the importance of exemplary customer service, knowledge of the inner-workings of building departments, and thorough familiarity with the building application and permit process.

CSG's permit processing staff is trained in customer service and in helping to expedite the permit process. Our staff members are able to perform quick assessments of each customer’s needs and ensure that they are properly served. Our staff is knowledgeable and experienced with permit processing functions including:

- Providing the public with appropriate forms and handouts
- Creating permit applications and issuing permits using the City’s software
- Accepting plans, specifications, structural calculations and energy reports for plan review
- Routing plans for Plans Examiners to plan check
- Preparing plan check letters to be sent to applicants
- Assisting the public with completing applications and other required forms
- Providing copies of documents when authorized

Our permit technicians maintain orderly working environments, including folding or rolling plans, maintaining file integrity, and logging documents in-and-out in an organized manner. They are familiar with State Contractors License Law and ensure that permits are issued to properly licensed contractors. They are also familiar with multiple permit software systems and are able to quickly gain proficiency with software that has been customized for a particular agency.

BUILDING PLAN REVIEW SERVICES

Compliance Standards

Our team of professionals is ready to assist in all aspects of plan review and to focus on the special needs and requirements of each of our clients. We promise prompt turnaround times and offer comprehensive online status reports. Our plan checkers carefully review all documents for compliance with building codes, fire codes, energy conservation standards, State accessibility regulations, and all local ordinances. We understand and will comply with the City’s own requirements for plan review services.

Our engineers and plan reviewers review plans for compliance with all policy and model codes adopted by the State of California, including but not limited to:

- California Building Code, Volumes 1 and 2
- California Residential Code
- California Electrical Code
- California Plumbing Code
- California Mechanical Code
- California Energy Code
California Green Building Code
California Fire Code as amended and adopted by the State of California (Title-24, Part 9 California Fire Code)
National Fire Codes as published by the National Fire Protection Association (NFPA); as adopted and referenced by the State of California (California Code of Regulations, Title-19, Section 1.09)
State Historical Building Code
NPDES/WQMP/SWPPP Compliance
Local adopted ordinances and amendments relative to building and municipal codes, including project Conditions of Approval from other departments, divisions, regulating agencies, and jurisdictions

CASp Services

We understand California Building Departments are required to have a CASp certified professional in place and available for technical questions and interpretations. Our CASp certified staff are knowledgeable of state and federal accessibility laws and regulations and possess the expertise necessary to promote access to facilities for persons with disabilities. In accordance with current rules and regulations, CSG can supply a CASp certified professional to review all plans for accessibility and to facilitate compliance with regulations.

OSHPD 3 Reviews

Our staff of professional engineers and certified plans examiners is experienced with the differences between CBC and OSHPD 3 facilities. They have successfully completed many OSHPD 3 plan reviews for multiple client agencies. CSG can also provide certified OSHPD Inspectors of Record for a variety of different projects.

Green Building and LEED Certification

Our Building Division staff is experienced in plan review and inspection for compliance with CALGreen and local green building ordinances. In addition, CSG Consultants has all of the qualifications necessary to assist the City in both the development of policy and the implementation of green and sustainable building practices. CSG’s Sustainability Programs division can assist, for example, with construction and demolition debris, recycling programs, as well as public outreach to the building industry. We have Certified Green Building Professionals (CGBP) and LEED accredited personnel on staff.

Online Plan Check Status

CSG offers a convenient service allowing clients to check plan review status and comments online. CSG provides City staff with a username and password for access to CSG’s secure Plan Check Status website. By logging into our Plan Check Status website, City staff as well as authorized applicants are informed about the status of each project by viewing project documents and communicating with the plan checker via e-mail or electronic post-a-note. City staff or authorized applicants can download comments from the website upon completion of the plan review. There is no additional cost for this service.

Plans Pickup and Delivery

CSG will arrange for pickup and delivery of plans from/to City offices. The pickup and delivery of plans and other materials via CSG staff or an approved alternative service will be provided at no additional cost.
Plan Check Comments
All plan check comments will be formatted to the City’s established correction list templates. Any additional forms established by the City for alternative methods of construction and/or deviations from requirements, such as disabled access, will be incorporated into the correction comments and returned with the appropriate recommendations. In addition, plan check comments can be delivered electronically by email or other City approved means. This will enable City staff to immediately modify our checklist for incorporation with other department comments.

Digital Plan Check
CSG began the transition to digital plan review over 18 years ago, leading the consultant field with this ground-breaking service. All paper plans submitted to CSG are immediately scanned into digital files and stored on CSG’s servers for speedy access by both our clients and our plan reviewers. Our plan reviewers furnish electronic versions of their plan comments conforming to each client’s established correction list templates. Any additional forms utilized by the City for alternative methods of construction and/or deviations from requirements, such as disabled access, will be incorporated into the correction comments and returned with the appropriate recommendations. Plan check comments can be delivered electronically by email or other City approved means, enabling City staff to immediately modify CSG’s checklist for incorporation with other department comments. Upon request, clients can be provided with a set of digitally scanned plans at no cost and including convenient, “green” (paperless) storage of all construction-related documents.

In addition, for jurisdictions requesting a pure digital plan review workflow, CSG has developed an online web application for an applicant to submit digital files directly to us, which includes an online portal for the applicant/jurisdiction to retrieve comments and submitted digital files with redlines. This online portal tracks all submittals, including re-submittals until the plans have been approved. Key features of our digital plan review service include:

- **Efficient.** Plans are pushed to plan review staff the same day they are submitted. There is no “bin time.”
- **User-Friendly.** CSG developed our own web-based portal to manage the electronic file submittal process. By using a web interface, the applicant is no longer faced with size restrictions on email attachments or required to learn complex FTP settings.
- **Proven.** We have provided a digital plan review option to our clients for over 18 years.
- **Non-Proprietary.** CSG’s electronic review process is 100% PDF based with no additional software required to view redlines.
- **Extensible.** Should the City decide to implement electronic review as a standard, CSG offers an integration path for our electronic review software (GreenVue Fusion).

Plan Check Turnaround Times
CSG works hard to provide the best quality and most timely service in the industry. We pride ourselves in maintaining the requested plan review times for all our clients—even delivering faster than our own deadlines. Our goal is to approve code-complying projects and to successfully and quickly move work through jurisdictional processes. CSG will ensure that all building and safety duties and follow-up actions will be performed in a timely and responsive manner. If a review is anticipated to take longer than the maximum turnaround timing, CSG will notify the City with advanced notice and negotiate additional time required to ensure an appropriate level of review.

*Turnaround time may vary with the complexity and magnitude of the project. If a review is anticipated to take longer than the maximum turnaround timing, CSG will notify the City’s representative and negotiate additional time required to ensure an appropriate level of review.

**Accelerated/Expedited Plan Check**
Upon request, we can perform plan check services within an accelerated time frame, with fees negotiated between the City and CSG. CSG completes initial accelerated plan check within 5 working days.

**Quality Control / Quality Assurance**
CSG’s in-house quality assurance / quality control program utilizes a peer review process with multi-level internal plan checking and project management. A senior staff member will review plan check comments in order to ensure relevance and accuracy.

**BUILDING OFFICIAL SERVICES**
CSG’s will provide building official services to the City on a part-time as needed basis. CSG offers Building Officials who are fully licensed, experienced, highly competent and capable of managing any agency’s Building Division. Building Official responsibilities will include, but not be limited to, the following:

- Quality Control
- Building Code updates and adoption
- Resolution of inquiries and complaints
- Building Official administration, processing of complex Building Code issues and dispute resolution
- Building and Safety procedure manual development
- Monthly reporting of Building and Safety activities and annual reporting
- Participating in pre-development review and providing comments
- Processing of Planning Commission and City Council staff reports (as needed)
- Attendance at Planning Commission and City Council meetings (as needed)
CODE ENFORCEMENT SERVICES

Code enforcement activities are a crucial service to ensure not only public health and safety but also to enhance economic development throughout a community. CSG Code Enforcement Officers focus on identifying property nuisances such as vacant lots, overgrown weeds, deteriorated building exteriors, foreclosures, and inoperable vehicles which contribute to community deterioration—and working with property owners to correct violations in accordance with the standards required by the communities we serve. Our officers ensure compliance with municipal codes; having a well-kept community helps to maintain or increase property values, discourage crime, and encourage quality development while preserving the overall quality of life in the community.

CSG maintains Code Enforcement Officers who are fully trained, licensed and certified through the California Association of Code Enforcement Officers (CACEO) and the California Environmental Health Association (CEHA) for any code enforcement challenge presented.

CSG’s Code Enforcement Officers work to identify code violations and engage stakeholders and responsible parties to correct code violations consistent with municipal and state codes tailored to the specific needs of the agency. Examples of codes and ordinances enforced include:

- Zoning codes
- Building codes
- Housing codes
- Public nuisance codes
- State health & safety codes
- Special concerns such as work and safety regulations, short term rental enforcement, massage and human trafficking, and cannabis dispensaries

Our Code Enforcement Officers have extensive experience and skills in the following key areas:

- Code enforcement program review and analysis
- Code enforcement inspections
- Preparing administrative remedies including administrative citations
- Conducting administrative hearings
- Preparing program documentation and staff reports as well as committee and City Council presentations
- Testifying on behalf of clients in criminal court
- License and permit application review and processing
- Coordination of activities with multiple departments including Building, Planning, Community Development, Police and City Attorneys
- Providing information on municipal regulations to property owners, residents, businesses, the general public, as well as to agency departments and divisions

Although a majority of our results are gained by voluntary compliance, our services include a full range of code enforcement activities, including:

- Enforcing administrative abatement
- Testifying in public hearings and court proceedings on behalf of the agency
- Facilitating settlement agreements
- Recommending changes to the code
- Appearing as expert witnesses
AVAILABILITY AND CUSTOMER SERVICE

CSG’s main function is to serve as an extension of the City. We clearly understand the importance of our role in the success of the City and commit to providing its citizens and business partners—residents, architects, engineers, developers, contractors—as well as City staff, the highest level of service. We believe effective communication and excellent customer service are essential to a successful working relationship between the City, CSG and the development community.

Office Hours and Meeting Availability
CSG’s inspection services can be provided upon 24 hours notice. Our staff plan checkers and inspectors are available for applicant inquiries or conferences anytime during regular business hours without charge via telephone, 8:00 AM to 5:00 PM, Monday through Friday. We can easily alter our hours to meet the City’s needs.

Evenings and weekends for special events and meetings can be accommodated with 24 hour notice. For the City’s convenience, we can also meet with City staff, architects and applicants. We recognize the value of pre-design consultation with prospective applicants and are available to provide this service as well. Our Project Manager will be available for consultation and meetings with a reasonable lead time at no cost to address questions or discuss issues.

Response to City Questions or Requests
CSG staff can typically respond to the City for all questions or requests generated during field inspections or any plan review during the same day, but no later than the following day a request is received.

Emergency Response
CSG is well qualified to respond to a local or regional emergency. Many of our personnel have assisted in emergencies such as the San Bruno gas explosion and the Northridge and Loma Prieta earthquakes, as well as regional floods, fires and other emergencies. Our personnel’s certifications include those obtained through FEMA, Office of Emergency Services (OES), and IACET First Responder.
# Personnel and Qualifications

CSG personnel’s qualifications and certifications are provided in the following table for the City’s review and consideration. Resumes of proposed staff are provided on subsequent pages.

Michael Loomis  
Principal Structural Engineer

Mr. Loomis offers CSG’s clients expertise gained from over 15 years of professional experience in the building industry. Mr. Loomis’ demonstrated knowledge of California and International Building Codes are reflected in his roles as both an adjunct lecturer at Santa Clara University and as a structural plan check engineer for CSG. Mr. Loomis has experience in all forms of structural construction, including: steel, concrete, masonry, heavy timber, and light-gauge steel materials. He has also served as a peer reviewer for OSHPD and DSA projects. Mr. Loomis serves in a supervisory role in CSG’s plan check division, managing and acting as a mentor to CGS’s growing team of engineers and technical staff on a wide variety of projects throughout California. He provides consultation to local jurisdictions regarding structural, accessibility and green building compliance and has worked in-house for jurisdictions providing plan review, building inspection, over the counter plan review and Building Official services. Mr. Loomis’ expertise includes review of complex commercial, industrial and residential structures for compliance with applicable building codes and ordinances, engineering standards and specifications, supplemental energy requirements, and accessibility regulations.

RELEVANT EXPERIENCE

Linear Coherent Light Source II Expansion | SLAC National Accelerator Laboratory
This project consisted of the underground expansion to an accelerator. Project included office space as well as special use experimental spaces and utilized mining design and construction techniques.

Gilead Sciences, Inc. | City of Foster City, CA
A five story H and B occupancy biotech building project included challenging occupancy separations as well as adverse soil conditions.

Santa Cruz Warriors Arena | City of Santa Cruz, CA
New 3,000 seat basketball arena with associated restrooms, locker rooms and concessions.

Palo Alto History Museum | City of Palo Alto, CA
This project involved the extensive remodel of historic building to house history museum and archive. Revised usage required careful study of exiting systems. This project utilized CBHC provisions for accessibility.

Ocean Street Commons | City of Santa Cruz, CA
This project consisted of 9 residential units over commercial space and was wood framed construction. Additional projects included multiple tenant improvement projects of varying sizes as well as multiple new and additions to single-family homes.

CSG will mail an invoice at the beginning of every month for services rendered during the previous month. Unless otherwise agreed, payment terms are 30-days from receipt of invoice.
AGENDA ITEM 1  
DATE: 4-17-2019

City of Scotts Valley  
CITY COUNCIL STAFF REPORT

DATE: April 17, 2019
TO: Honorable Mayor and City Council
FROM: Jenny D. Haruyama, City Manager
SUBJECT: ADOPT RESOLUTION SUPPORTING THE 2020 CENSUS

SUMMARY OF ISSUE

The census is a large and logistically complex undertaking. It provides critical data that helps cities, schools, public safety, and non-profit organizations run effectively. It also ensures that these groups receive their fair share of federal funding and investments. The next census will take place on April 1, 2020. The United States Constitution mandates that a complete population count be conducted every 10 years.

The City of Scotts Valley is actively participating in Santa Cruz County’s Complete Count Committee (CCC), a group of regional stakeholders that work to build awareness about the census and its importance. The CCC also plays an instrumental role in developing and implementing a 2020 Census outreach, promotion, recruitment, and enumeration assistance plan of action designed to target and address the needs of the local community.

An effective outreach plan is integral to achieving a complete count as the federal allocation of funding to states is based on population counts. Improper accounting of California’s population or “undercount” may lead to reduced allocation of resources.

To support the 2020 census and the goals and objectives of the CCC, it is recommended that the Council consider contributing approximately $5,000 to support census education and engagement activities.

FISCAL IMPACT

Should Council consider allocating funding to support census outreach efforts, the fiscal impact would be approximately $5,000.

STAFF RECOMMENDATION

It is recommended that City Council adopt Resolution No. 1963 and allocate approximately $5,000 to support the 2020 census outreach efforts.

Resolution No. 1963 .............................................................................................................. 2
RESOLUTION NO. 1963

RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF SCOTTS VALLEY
SUPPORTING THE 2020 CENSUS

WHEREAS, the U.S. Census Bureau is required by Article I, Section 2 of the U.S. Constitution to conduct an accurate count of the population every ten years; and

WHEREAS, the next enumeration will be April 1, 2020 and will be the first to rely heavily on online responses; and

WHEREAS, the primary and perpetual challenge facing the U.S. Census Bureau is the undercount of certain population groups; and

WHEREAS, that challenge is amplified in California, given the size of the state and the diversity of communities; and

WHEREAS, California has a large percentage of individuals that are considered traditionally hard to count; and

WHEREAS, these diverse communities and demographic populations are at risk of being missed in the 2020 Census; and

WHEREAS, California receives nearly $77 billion in federal funding that relies, in part, on census data; and

WHEREAS, a complete and accurate count of California’s population is essential; and

WHEREAS, the data collected by the decennial Census determines the number of seats each state has in the U.S. House of Representatives and is used to distribute billions of dollars in federal funds to state and local governments; and

WHEREAS, the data is also used in the redistricting of state legislatures, county boards of supervisors and city councils; and

WHEREAS, the decennial census is a massive undertaking that requires cross-sector collaboration and partnership in order to achieve a complete and accurate count; and

WHEREAS, California’s leaders have dedicated a historic amount of funding and resources to ensure every Californian is counted once, only once and in the right place; and

WHEREAS, this includes coordination between tribal, city, county, state governments, community-based organizations, education, and many more; and
WHEREAS, U.S. Census Bureau is facing several challenges with Census 2020, including constrained fiscal environment, rapidly changing use of technology, declining response rates, increasingly diverse and mobile population, thus support from partners and stakeholders is critical; and

WHEREAS, California is kicking-off its outreach and engagement efforts in April 2019 for the 2020 Census; and

WHEREAS, the City of Scotts Valley, in partnership with other local governments, the State, businesses, schools, and community organizations, is committed to robust outreach and communications strategies toward outreach efforts, focusing on reaching the hardest-to-count individuals.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED that the City of Scotts Valley recognizes the importance of the 2020 U.S. Census and supports helping to ensure a complete, fair, and accurate count of all Californians, and will allocate $5,000 toward outreach efforts.

The above and foregoing resolution was duly and regularly adopted by the City Council of the City of Scotts Valley at a regular meeting held on the 17th day of April, 2019 by the following vote:

SUMMARY OF ISSUE

California Government Code 65400(a)(2) requires the City to provide an annual report, titled an Annual Progress Report (APR), to the City Council, the State Office of Planning and Research (OPR), and the Department of Housing and Community Development (HCD) that includes the following:

(A) The status of the adopted Housing Element and progress in its implementation.

(B) The progress in meeting the City’s share of regional housing needs and local efforts to remove governmental constraints to the maintenance, improvement, and development of housing. The housing element portion of the annual report is prepared using standards, forms, and definitions adopted by HCD.

(C) The number of housing development applications received in the prior year.

(D) The number of units included in all development applications in the prior year.

(E) The number of units approved and disapproved in the prior year.

(F) The degree to which the General Plan complies with the guidelines developed by OPR.

(G) A listing of sites rezoned to accommodate that portion of the city’s or county’s share of the regional housing need.

(H) The number of net new units of housing, including both rental housing and for-sale housing, that have been issued a completed entitlement, a building permit, or a certificate of occupancy, thus far in the housing element cycle, and the income category, by area median income category, that each unit of housing satisfies.

(I) The number of applications submitted, approvals granted, building permits issued, and number of units constructed pursuant to Senate Bill 35 (2018).
On March 29, 2019 the City submitted Annual Progress Reports for calendar years 2015, 2016 and 2017 to HCD. Copies of those reports are available at City Hall. The 2018 Annual Progress Report was also submitted to HCD on March 29, 2019.

The reporting forms for the 2018 Annual Progress Report were significantly revised by HCD in early 2019 and required much more data than the previous years. As a result, the 2018 APR tables are very large and difficult to reproduce as attachments to this report. Therefore, Tables A and A2 are not attached to this staff report but were submitted in full to HCD and OPR as required. Summaries of the information in Tables A and A2 are included in Table B and the Summary Table, which are attached to this report.

Table A contains data on the number of housing development applications that were submitted and deemed complete in 2018. The number of proposed units in all of the applications received is 23 units.

Table A2 contains data on the discretionary housing development applications that were approved (entitled), all building permits issued for housing development and housing construction completed. This data is identified by both household income level, street address and tenure. Table A2 data shows that, in 2018:

- 48 units were approved for entitilements,
- 66 units were issued building permits, and
- 8 units had building permits "signed off" and finalized.

Table B (attached) includes data on the household income levels of the 66 units in 2018 that were issued building permits. The table also includes data for 2015, 2016 and 2017 by unit count and income level as reported in the APRs for those years. Further, this table demonstrates the City’s progress in meeting its share of the Regional Housing Needs Allocation (RHNA).

Tables C, E and F are not applicable to the City of Scotts Valley.

Table D (attached) contains information on the status and progress of Housing Element program and policy implementation for all programs described in the 2016 Housing Element.

Summary Table (attached) provides a summary of housing units for which applications were submitted in 2018.

**FISCAL IMPACT**

There is no fiscal impact as there is no cost to the City.

**STAFF RECOMMENDATION**

It is recommended that the City Council receive public comments and accept the 2018 Annual Progress Report as submitted to the Department of Housing and Community Development.

| **1. Sites Inventory Monitoring Program** | a) Report on the progress of development in the identified sites inventory in the Annual Progress Report to HCD as required pursuant to Government Code Section 654000 and due April 1 of each year.  
  b) Monitor development approvals on identified sites and ensure that no net loss occurs.  
  c) Continue to implement the City's 15% inclusionary Housing requirement and Title 14 Affordable Housing Production requirements. | Ongoing through December 2023 | Monitoring of the 2016 site inventory continues.  In 2018, building permits were issued for The Cove, a 25- unit new residential development with 3 deed-restricted moderate income units.  This development is located on the opportunity site located at Scotts Valley Drive/North of Dunslee as listed in the 2016 Housing Element.  Another development, The Terrace, issued 10 building permits in 2018 with another 9 permits anticipated to be issued in 2019.  This development is located along the Scotts Valley Drive/North of Mount Hermon opportunity site.  An application has been submitted but is not yet complete for a 52 unit development in the Oak Creek Park opportunity housing site.  In addition to the projects listed above, the remaining 19 building permits for The Grove, a residential development in the Polo Ranch area, were also issued in 2018.  In total, 50 building permits were issued during 2017 and 2018 for The Grove, including 7 affordable deed-restricted units.  The City will continue to monitor the remaining sites in the 2016 inventory to assure that land at appropriate densities are available to meet any unmet RHNA needs.  The City continues to implement the 15% Inclusionary Housing requirement. |

City of Scotts Valley
CITY COUNCIL STAFF REPORT

DATE: April 17, 2019

TO: Honorable Mayor and City Council

FROM: Daryl Jordan, Public Works Director/City Engineer

APPROVED: Jenny Haruyama, City Manager

SUBJECT: CONSIDERATION OF RESOLUTION NO. 1946.1 APPROVING A LIST OF PROJECTS TO BE FUNDED BY SB-1: THE ROAD REPAIR AND ACCOUNTABILITY ACT FOR FISCAL YEAR 2019/20

SUMMARY OF ISSUE

On April 28, 2017, the Governor signed Senate Bill (SB) 1, which is known as the Road Repair and Accountability Act of 2017. SB1 was passed by the legislature as a means of providing additional funding for basic road maintenance, rehabilitation and critical safety needs on both state highways and local streets and road system. SB 1 increases per gallon fuel excise taxes; diesel fuel excise taxes and vehicle registration fees and provides for adjustments for inflation in future years.

The California Transportation Commission (CTC) has set May 1, 2019, as the deadline for cities to submit a list of projects to be funded with Road Maintenance and Rehabilitation Account (RMRA) funds. The City expects to receive approximately $215,000 in FY 2019/20. As part of the proposed FY 2019/20 Capital Improvement Program (CIP) – Annual Street Maintenance/Resurfacing Program, staff recommends the following projects be funded with RMRA funds:

The project list submitted to the CTC does not limit flexible use of funds, provided that funds are only used for eligible projects – the City can fund projects in a given year not on the project list or not fund projects that were on the project list. As required by SB 1, the City will also prepare a report at the end of the fiscal year detailing the actual expenditure of SB 1 funds during the year including the projects funded and the amount of funding expended.
FISCAL IMPACT

SB 1 will provide RMRA funds totaling approximately $215,000. Fund allocations in FY 2019/20 will be used for project construction. RMRA funds are supplemental to current City funding sources.

STAFF RECOMMENDATION

Staff recommends that Council adopt Resolution No. 1946.1, a resolution of the City Council of the City of Scotts Valley incorporating a list of projects to be funded by SB-1: The Road Repair and Accountability Act for Fiscal Year 2019/20.

RESOLUTION NO. 1946.1

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SCOTTS VALLEY
INCORPORATING A LIST OF PROJECTS TO BE FUNDED BY
SB-1: THE ROAD REPAIR AND ACCOUNTABILITY ACT
FOR FISCAL YEAR 2019/20

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017
(Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the
Governor in April 2017 in order to address the significant multi-modal transportation
funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will
ensure the residents of City of Scotts Valley are aware of the projects proposed for
funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City of Scotts Valley must provide to the California
Transportation Commission a list of all projects proposed to receive funding from the
Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must
include a description and the location of each proposed project, a proposed schedule
for the project’s completion, and the estimated useful life of the improvement; and

WHEREAS, the City of Scotts Valley will receive and estimated $215,000 in
RMRA funding in Fiscal Year 2019/20 from SB 1; and

WHEREAS, the full amount of the anticipated 2018/19 RMRA disbursement shall
be allocated to the Annual Street Maintenance/Resurfacing Program CIP #16; and,

NOW, THEREFORE, BE IT RESOLVED AND ORDERED by the City Council of
the City of Scotts Valley, as follows:

1. The City Council hereby finds that the facts set forth in the recitals to this
Resolution are true and correct, and establish the factual basis for the City
Council’s adoption of this Resolution.
2. The City Council hereby adopts a resolution approving Project Listing for the
Road Repair and Accountability Act of 2017, Senate Bill (SB1) for the
California Transportation Commission (CTC).
3. The City Council hereby approves the following SB1 projects to receive Road
Repair and Accountability Act funding:
   a) Annual Street Maintenance/Resurfacing Program
      i. FY 2019/20 consisting of the following:

CITY COUNCIL STAFF REPORT

APPROVED: Jenny D. Haruyama, City Manager

SUBJECT: CONSIDER AMENDMENTS TO THE SCOTTS VALLEY PUBLIC FINANCING AUTHORITY JOINT POWERS AGREEMENT ADDING THE PARKING AUTHORITY OF THE CITY OF SCOTTS VALLEY AND WITHDRAWING THE SUCCESSOR AGENCY OF THE SCOTTS VALLEY REDEVELOPMENT AGENCY

SUMMARY OF ISSUE

The City’s 2003 and 2013 Certificates of Participation Issues (“2003 COP’s” and “2013 COP’s”) may be refinanced now with significant benefit to the City’s General Fund. The 2003 and 2013 COP’s can both be called and refinanced now. The 1997 COP’s are not callable, and as a result, are not candidates for a refinancing. Under current market conditions, a total of $770,000 in net cash flow savings are projected from refinancing the 2003 COP’s and the 2013 COP’s.

In order to refinance these COP’s, the City Council needs to take action on certain technical matters at its April 17th meeting.

Both COP issues are structured legally as a financing lease. The City itself is the lessee. The Scotts Valley Public Financing Authority, a joint powers agreement (“JPA”) between the City and its former redevelopment agency, is the lessor. Since the former redevelopment agency has been dissolved, there is now a legal question regarding the legal basis of the JPA. The City’s bond counsel recommends that the former redevelopment agency be formally removed as a member of the JPA, and that the City form a new entity to become the other member of the JPA. Based on review of the available options for the City in this regard, the City’s bond counsel believes that the formation of a parking authority is the best option to make these changes.

As a result, the City Council will need to take the following actions:

1) Form a Parking Authority
2) Remove the Successor Agency of the Scotts Valley Redevelopment Agency from the Scotts Valley Public Financing Authority
3) Add the Parking Authority of the City of Scotts Valley as a member of the Scotts Valley Public Financing Authority
In addition, State law now requires that JPA boards approve financings at a regularly scheduled meeting. At present the Scotts Valley Public Financing Authority has no regularly scheduled meetings. Accordingly, the City Council is also being asked to amend the JPA to set up regularly scheduled meetings at the same time as City Council meetings. However, this amendment will also provide that no such meeting needs to take place if there is no business to conduct.

Bond Counsel Cameron Weist, from the Weist Law Firm, and Mark Northcross of NHA Advisors will discuss these items in further detail with the Council.

At its regularly scheduled meeting on May 1st, both the City Council and the Scotts Valley Public Financing Authority Board will be asked to approve the legal documents for the proposed refinancing. The schedule for the financing calls for the refinancing COP’s to be sold and closed by May 22nd.

**FISCAL IMPACT**

There is no fiscal impact as a result of approving the recommended action.

**STAFF RECOMMENDATION**

It is recommended that Council consider taking the following actions:

1. Approve Resolution No. 1961 approving the formation of the Parking Authority of the City of Scotts Valley
2. Approve Resolution No. 1962 amending the Joint Powers Agreement to add the Parking Authority of the City of Scotts Valley and withdraw the Successor Agency of the Scotts Valley Redevelopment Agency

RESOLUTION NO. 1961

WHEREAS, the Parking Law of 1949 is codified at California Streets & Highways Code Sections 32500, et seq. ("Law"); and

WHEREAS, Section 32650 of the Law provides that in every city, including the City of Scotts Valley ("City"), there is a public body corporate and politic known as the parking authority of the city (which parking authority in the City is hereinafter referred to as the "Parking Authority"); and

WHEREAS, Section 32651 of the Law additionally provides that the Parking Authority shall not transact business or exercise its power unless the City Council, as the governing and legislative body of the City, declares by Resolution that there is a need for the Parking Authority to function in the City; and

WHEREAS, Section 32661.1 of the Law provides that the City Council may declare by Resolution that the members of the City Council shall be the members of the Parking Authority; and

WHEREAS, Section 32658 of the Law provides that the Mayor of the City shall designate an interim chair of the Parking Authority from among the members of the Parking Authority, and thereafter the Parking Authority shall select the successor chair from among its members.

NOW, THEREFORE BE IT RESOLVED by the City Council of the City of Scotts Valley as follows:

Section 1. Approval of Recitals. Each of the above recitals is true and correct.

Section 2. Findings and Determinations. Pursuant to the provisions of Section 32651 of the Law, the City Council hereby finds and declares: (i) that there is a need for the Parking Authority to function in the City, (ii) that the Parking Authority hereby is permitted to transact any business and exercise any power vested, conferred or inferred thereon by the provisions of the Law, and (iii) that the name of the Parking Authority shall be the "Parking Authority of the City of Scotts Valley."

Section 3. City Councilmembers to Serve as Members of the Parking Authority. Pursuant to the provisions of Section 32661.1 of the Law, the City Council finds that the appointment of the members of the City Council to serve as the members of the Parking Authority will serve the public interest and promote the public safety and welfare in an effective manner and, therefore, the members of the City Council are hereby declared to be the members of the Parking Authority and all the rights, powers, duties, privileges and immunities that are vested, conferred or inferred by the Law in the Parking Authority shall be vested, conferred and inferred in such members, except as otherwise expressly provided by the Law.
Section 4. Designation of Interim Chair, Vice-Chair, Executive Director and Clerk. In a manner consistent with Section 32658 of the Law, the City Council confirms that the Mayor of the City shall serve as the first Chair of the Parking Authority, until a successor Chair is elected by the Parking Authority. The City Council further designates that the Vice Mayor shall serve as the first Vice Chair, the City Manager shall serve as the Executive Director of the Parking Authority and the City Clerk shall serve as the Clerk to the Parking Authority.

Section 5. Effective Date. This Resolution shall take effect from and after the date of its passage and adoption.

The above and foregoing Resolution was duly and regularly adopted by the City Council of the City of Scotts Valley at a regular meeting held on the 17th day of April, 2019 by the following vote:

RESOLUTION NO. 1962

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SCOTTS VALLEY
AUTHORIZING THE EXECUTION, DELIVERY AND ADMINISTRATION OF AN
AMENDED JOINT EXERCISE OF POWERS AGREEMENT BY AND AMONG THE
CITY OF SCOTTS VALLEY, THE SUCCESSOR AGENCY OF THE
SCOTTS VALLEY REDEVELOPMENT AGENCY, AND THE
PARKING AUTHORITY OF THE CITY OF SCOTTS VALLEY

WHEREAS, the City of Scotts Valley, California (the “City”), is a general law city organized and existing under the laws of the State of California; and

WHEREAS, the City, acting pursuant to Article I (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 of the Government Code of the State of California (the “JPA Act”) has heretofore entered into a Joint Exercise of Powers Agreement with the Scotts Valley Redevelopment Agency (the “Agency”), dated as of April 5, 1989 (the “Original Agreement”) and thereby created the Scotts Valley Public Financing Authority (the “Authority”); and

WHEREAS, in 2011 the State of California enacted legislation commonly referred to as ABx1-26, as amended (“ABx1-26”), which required the dissolution of California redevelopment agencies, including the Agency, and the disposition and winding-up of the operations of these redevelopment agencies and pursuant to which the Successor Agency to the former Agency (the “Successor Agency”) was established; and

WHEREAS, pursuant to the Parking Law of 1949 as codified in California Streets & Highways Code Sections 32500, et seq. (“Law”) and Resolution No. 1961, adopted by the City Council on April 17, 2019, the City Council declared the need for a parking authority to function in the City, declared that the City Council shall be that parking authority and took additional requisite steps to form and establish the Parking Authority of the City of Scotts Valley (the “Parking Authority”); and

WHEREAS, in furtherance of requirements of ABx1-26 and the City’s covenant with the Authority bondholders to preserve the existence of the Authority, and in anticipation of the issuance of bonds by the Authority, the City and the Successor Agency desire to amend and restate the Original Agreement so as to provide for the addition of the Parking Authority as a member of the Authority and the simultaneous withdrawal of the Successor Agency under ABx1-26 as a member of the Authority; and

WHEREAS, there has been presented at this meeting a proposed form of Amended and Restated Joint Exercise of Powers Agreement, dated as of April 17, 2019 (the “Amended Joint Powers Agreement”), by and among the City, the Successor Agency, and the Parking Authority, which Amended Joint Powers Agreement continues the existence of the Authority.

NOW, THEREFORE BE IT RESOLVED by the City Council of the City of Scotts Valley as follows:

Section 1. Approval of Recitals. Each of the above recitals is true and correct.
Section 2. **Approval of Amended Joint Powers Agreement.** The form of the Amended Joint Powers Agreement on file with the City Clerk is hereby approved. The Mayor or the City Manager (each, an "Authorized Representative") or the designee thereof is hereby authorized and directed, on behalf of the City, to execute and deliver the Amended Joint Powers Agreement substantially in the approved form, with such changes as may be recommended by the City Attorney or The Weist Law Firm as Bond Counsel, said execution being conclusive evidence of such approval.

Section 3. **Other Actions.** The Authorized Representatives are hereby authorized, individually and collectively, to take all actions and execute any and all documents, certificates and other instruments which they may deem necessary or advisable to consummate the execution and delivery of the Amended Joint Powers Agreement and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution. All actions heretofore taken by the Authorized Representatives, or their respective designees, and the employees and agents of the City, in connection with the matters described in this Resolution and the Amended Joint Powers Agreement are hereby ratified, approved and confirmed.

Section 4. **Effective Date.** This Resolution shall take effect from and after the date of its passage and adoption.

The above and foregoing Resolution was duly and regularly adopted by the City Council of the City of Scotts Valley at a regular meeting held on the 17th day of April, 2019 by the following vote:

AMENDED AND RESTATED JOINT EXERCISE OF POWERS AGREEMENT

This Amended and Restated Joint Exercise of Powers Agreement ("Amended Joint Powers Agreement") is dated as of April 17, 2019, and is made by and among the City of Scotts Valley, a California municipal corporation and general law city (the "City"), the City of Scotts Valley as successor agency to the former Scotts Valley Redevelopment Agency, a public entity created pursuant to California Health & Safety Code Section 34173 et seq. (the "Successor Agency"), and the Parking Authority of the City of Scotts Valley, a California public agency pursuant to the Parking Law of 1949, as codified at California Streets & Highways Code Section 32500, et seq. (the "Parking Authority"), each hereafter referred to as Members. The Members are hereinafter sometimes referred to collectively as the “Parties.”

RECITALS

A. The Joint Exercise of Powers Act, being California Government Code Section 6500, et seq., provides that public agencies by agreement may jointly exercise any power common to the contracting parties and to exercise additional powers granted to it under the Joint Powers Act (defined below); and

B. Pursuant to the Joint Powers Act, the City and the former Scotts Valley Redevelopment Agency (the “Agency”) entered into a Joint Exercise of Powers Agreement, dated as of April 5, 1989 (the “Original Agreement”); and

C. Assembly Bill 26, enacted on June 29, 2011 (“ABx1-26”), amended the Community Redevelopment Law and added Part 1.85 to Division 24 of the Health and Safety Code; ABx1-26 ordered the dissolution of all California redevelopment agencies and the vesting of all authority, rights, powers, duties and obligations of redevelopment agencies in successor agencies as therein defined; pursuant to ABx1-26, the City thereafter designated itself as the Successor Agency to the former Redevelopment Agency of the City of Scotts Valley; ABx1-26 also requires the eventual dissolution of all successor agencies and the disposition and winding up of their operations; and

D. Because of the City’s covenant with existing bondholders to preserve the existence of the Authority, and in anticipation of the purchase or issuance of additional bonds by the Authority, the Parties intend that, by execution of this Amended Joint Powers Agreement, the Parking Authority will become a Member (defined in the Original Agreement) of the Authority and the Successor Agency will no longer be a Member of the Authority; and

E. The City and the Parking Authority are “public agencies” within the meaning of that term under Section 6502 of the Joint Powers Act; and

F. Article 4 of the Joint Powers Act (known as the “Marks-Roos Local Bond Pooling Act of 1985,” Government Code Section 6584 et seq.) authorizes and empowers the Authority to issue bonds and to purchase bonds issued by, or to make loans to, the City, the Parking Authority, or other public or private entity for financing or providing interim financing for the acquisition, construction, installation and improvement of public facilities and other public capital improvements, working capital, liability and other insurance needs, or projects whenever there are significant public benefits, as determined by the City or the Parking Authority. The Marks-Roos Local Bond Pooling Act of 1985 further authorizes and empowers the Authority to sell bonds so issued or purchased to public or private purchasers at public or negotiated sale; and
G. Each of the City and the Parking Authority is empowered by law to promote economic, cultural and community development, including, without limitation, the promotion of opportunities for the creation or retention of employment, the stimulation of economic activity, the increase of the tax base, and the promotion of opportunities for education, cultural improvement and public health, safety and general welfare; and

H. Each of the City and the Parking Authority may accomplish the purposes and objectives described in the preceding preamble by various means, including through making grants, loans or providing other financial assistance to governmental and nonprofit organizations; and

I. Each of the City and the Parking Authority is also empowered by law to acquire and dispose of real property for a public purpose; and

J. Each of the City and the Parking Authority has each determined to specifically authorize a public entity authorized pursuant to the Joint Powers Act including Article 4 to issue bonds pursuant to the Joint Powers Act or other applicable provisions; and

K. The Parties desire to enter into this Amended Joint Powers Agreement in furtherance of the Joint Powers Act, including Article 4 thereof, and in anticipation of the statutorily required dissolution of the Successor Agency.

NOW, THEREFORE, for and in consideration of the mutual benefits, covenants, and agreements set forth in this Agreement, the Parties agree as follows:

Section 1. Definitions. As used herein, the following terms shall have the meaning ascribed thereto, unless the context requires otherwise:

“Agency” means the former Scotts Valley Redevelopment Agency, a public body, corporate and politic.

“Agreement” or “Amended and Restated Joint Exercise of Powers Agreement” means this this Joint Exercise of Powers Agreement, as it may be amended from time to time, creating the Authority.

“Amended Joint Powers Agreement” means this Amended and Restated Joint Exercise of Powers Agreement.

“Brown Act” means the Ralph M. Brown Act (Chapter 9 of Part 1 of Division 2 of Title 5 of the California Government Code), or any successor legislation hereinafter enacted.

“Executive Director” means the City Manager of the City. “City” means the City of Scotts Valley and, depending upon the context, may refer to the City as a municipal corporation duly organized and validly existing pursuant to the Constitution and laws of the State, or may refer to the area within the territorial limits of the City.

“City” means the City of Scotts Valley, a municipal corporation and general law city duly organized and existing under and by virtue of the laws of the State.

“City Council” means the City Council of the City.

“Cost” as applied to a Public Capital improvement or portion thereof financed pursuant to the Joint Powers Act, means all or any part of the cost of construction, renovation, and acquisition of all lands, structures, real or personal property, rights, rights-of-way, franchises, easements, and interests acquired or used for a Public Capital Improvement, the cost of demolishing or removing any buildings or structures on land so acquired, including the cost of acquiring any lands to which the buildings, or structures may be moved; the cost of all machinery and equipment; finance charges; interest prior to, during, and for a period after, completion of that construction, as determined by the Authority; provisions for Working Capital, reserves for principal and interest and for extensions, enlargements, additions, replacements, renovations, and improvements; the cost of architectural, engineering, financial and legal services, plans, specifications, estimates, administrative expenses, and other expenses necessary or incident to determining the feasibility of constructing any project or incident to the construction or acquisition or financing of any Public Capital Improvement.

“County” means the County of Santa Cruz.

"Fiscal Year" unless and until changed by resolution of the Governing Board, the fiscal year of the Authority shall be the period from July 1 of each year to and including the following June 30.

“Include,” “Includes” or “Including” means including without limitation.

“Legislative Body” means the legislative or governing body of a Local Agency.

“Local Agency” means the City, the Parking Authority, or any city, county, city and county, authority, district, or public corporation of the State.

“Marks-Roos Local Bond Pooling Act of 1985” or “Bond Pooling Act” means the Marks-Roos Local Bond Pooling Act of 1985, constituting Article 4, Chapter 5, Division 7, Title 1 (commencing with Section 6584) of the California Government Code, as amended from time to time.

“Member” means, upon the execution of this Amended Joint Powers Agreement, the City and the Parking Authority.

“Parking Authority” means the Parking Authority of the City of Scotts Valley, a parking authority organized and existing pursuant to the Parking Law of 1949, Streets and Highways Code Section 32500 et seq., and all successor statutes and implementing regulations thereto.

“Party” means a party to this Amended Joint Powers Agreement.

“Public Capital Improvements” means one or more projects specified in Section 6546 of the Joint Powers Act necessary to deliver Local Agency services or otherwise support residential and commercial development.

“Revenue” means (i) all income and receipts of the Authority from a Bond Purchase Agreement, including the purchase price of Bonds of a Local Agency sold by the Authority to a private purchaser pursuant to Section 15, hereof, (ii) all income and receipts of the Authority derived from any loan agreement or lease agreement with any Local Agency, and (iii) all interest or other income from any investment of any money in any fund or account established for the payment of principal or interest or premiums of Bonds.

“State” means the State of California.

“Successor Agency” means the City of Scotts Valley acting in its capacity as successor agency to the Agency pursuant to applicable provisions of the California Health & Safety Code.

“Working Capital” means money to be used by, or on behalf of, a Local Agency for any purpose for which a Local Agency may borrow money pursuant to California Government Code Section 53852.

Section 2. Purpose of Amended Joint Powers Agreement. The purpose of the Amended Joint Powers Agreement is to provide for the continuation of the Authority notwithstanding the statutorily required dissolution of the Agency and eventual dissolution of the Successor Agency and to carry out the intent of the State Legislature as set forth in Article 4 of the Joint Powers Act, namely the financing of Public Capital Improvements and Working Capital whenever there are significant public benefits for taking such action, including (i) demonstrable savings in effective, interest rate, bond preparation, bond underwriting, or bond
issuance costs; (ii) significant reductions in effective user charges; (iii) employment benefits from undertaking the project in a timely fashion; and (iv) more efficient delivery of services to residential and commercial development.

**Section 3. Authorization.** The City and the Parking Authority are authorized to jointly exercise any power common to them. Such powers include all those powers set forth in the Recitals hereof.

**Section 4. Continuation of Authority; Authority as Separate Public Entity.** The Authority created pursuant to the Original Agreement, as amended and restated pursuant to this Amended Joint Powers Agreement, shall continue as a public entity separate and apart from the Parties hereto and is authorized to exercise all powers common to the Members and the additional powers set forth in Article 4 of the Joint Powers Act.

**Section 5. Governing Board.** The City Council shall constitute the governing body of the Authority, which governing body shall be known as the Governing Board. The Governing Board shall be vested with all of the rights, powers, duties, privileges and immunities of the Authority. Each member of the City Council of the City shall be a director on the Board by virtue of being a member of the City Council of the City. The term of office as a member of the Board shall terminate when such member of the Board ceases to be a member of the City Council of the City, and the successor to such person as a member of the City Council of the City will become a member of the Board automatically upon assuming such City Council office. The Board shall be the administering agency of this Agreement and, as such, shall be vested with the powers set forth herein, and shall administer this Agreement in accordance with the purposes and functions provided herein.

**Section 6. Accountability; Reports; Audits.**

A. There shall be strict accountability of all funds and report of all receipts and disbursements of the Authority.

B. So long as required by Sections 6505 and 6505.5 of the Joint Powers Act, the Authority Treasurer shall either make or contract with a certified public accountant or public accountant to make an annual audit of the accounts and records of the Authority, except that the Authority Treasurer need not make or contract for the audit in any case where an annual audit of the accounts and records of the Authority by a certified public accountant or public accountant is otherwise made by any agency of the State or the United States only as to those accounts and records which are directly subject to such a federal or state audit. In each case the minimum requirements of the audit shall be those prescribed by the State Controller for special districts under Section 26909 and shall conform to generally accepted auditing standards.

C. When an audit of an account and records is made by a certified public accountant or public accountant, a report thereof shall, be filed as public records with each of the Members and also with the County auditor and shall be sent to any public agency or person in the State that submits a written request to the Authority. The report shall be filed within 12 months of the end of the fiscal year or years under examination.
D. Any of the costs of the audit, including contracts with, or employment of certified public accountants or public accountants, in making an audit pursuant to this Section 6 shall be borne by the Authority and shall be a charge against any unencumbered funds of the Authority available for the purpose.

E. By unanimous request of the Governing Board, the Authority may replace the annual special audit with an audit covering a two-year period. Notwithstanding the foregoing provisions of this Section 6 to the contrary, the Authority shall be exempt from the requirement of an annual audit if the financial statements are audited by the State Controller to satisfy federal audit requirements.

Section 7. Power of Authority; Scope and Exercise. The Authority shall have all of the powers common to the Members and all additional powers set forth in the Joint Powers Act and other statutes applicable to the Authority, and is hereby authorized to do all acts necessary or appropriate for the exercise of such powers.

Section 8. Contributions; Payments and Advances; Use of Personnel, Equipment or Property. The Members may make contributions from their respective treasuries in furtherance of any or all of the purposes set forth in this Amended Joint Powers Agreement. The Members may make payments of public funds to defray the cost of any or all of such purposes. The Members may make advances of public funds for any or all of such purpose. Such advances shall be repaid as may be provided by separate agreement regarding advances which may be entered into between the Authority and any Member making such advance. Personnel, equipment or property of any Member may be used in lieu of other contributions or advances. The funds may be paid to and disbursed by the Authority, or by any Member.

Section 9. Bonding Persons Having Access to Property. The Members designate the Executive Director and the Authority Treasurer, and the designee or designees of each of them, as the persons who shall have charge of, handle, or have access to any property of the Authority. Such person or persons shall file an official bond in the amount required by the City for the City office held by such person.

Section 10. Treasurer or Certified Public Accountant; Designation as Depositary; Duties; Auditor. The Authority Treasurer shall be the depositary and have custody of all the money of the Authority, from whatever source. The Authority Treasurer shall do all of the following:

A. Receive and receipt for all money of the Authority and place it in the treasury of the City to the credit of the Authority.

B. Be responsible, upon his or her official bond, for the safekeeping and disbursement of all Authority money so held by him or her.

C. Pay, when due, out of money of the Authority held by him or her, all sums payable on outstanding bonds and coupons of the Authority.

D. Pay any other sums due from the Authority money, or any portion thereof, only upon warrants of the Authority Treasurer.

E. So long as required by Sections 6505 and 6505.5 of the Joint Powers Act, verify and report in writing on the first day of July, October, January, and April of each year to the Authority and to the
Members, the amount of money he or she holds for the Authority, the amount of receipts since his or her last report, and the amount paid out since his or her last report.

The Authority Treasurer shall draw warrants to pay demands against the Authority when the demands have been approved by the Authority Treasurer. The Governing Board shall determine charges to be made against the Authority for the services of the Authority Treasurer.

Section 11. Services. The City shall provide all of the necessary services to carry out the provisions of this Amended Joint Powers Agreement, including all necessary administrative services. The City shall also provide all necessary personnel, supplies, equipment, office and meeting space, furnishings, and, except as otherwise provided hereunder, shall advance all costs and expenses of the Authority. By separate agreement, the Members may provide for reimbursement by the Authority to the City for the cost of administrative, overhead and other expenses advanced pursuant to or in furtherance of this Amended Joint Powers Agreement. The City may be reimbursed for the cost of administrative, overhead and other expenses advanced pursuant to this Amended Joint Powers Agreement from the proceeds of bonds, loan agreements or other obligations of the Authority.

Section 12. Obligations of Authority; Contracts for Separate Responsibility. Except as specifically provided herein, the debts, liabilities, and obligations of the Authority shall not be the debts, liabilities, and obligations of the Members. A Member or another Local Agency may separately contract for, or assume responsibility for, specific debts, liabilities or obligations of the Authority.

Section 13. Restrictions on Powers. Pursuant to and to the extent required by Section 6509 of the Joint Powers Act, the Authority shall be restricted in the exercise of its powers in the same manner as the City is restricted in its exercise of similar powers.

Section 14. Issuance of Bonds. In addition to any other powers conferred upon the Authority pursuant to law or contract, the Authority may issue revenue bonds pursuant to Article 2 and Article 4 of the Joint Powers Act to pay the cost and expenses of acquiring or constructing a project for any or all of the purposes permitted thereby.

Section 15. Bond Purchase Agreements with Local Agencies; Exemptions from Public Sales Requirements. The Authority may enter into a Bond Purchase Agreement with one or more Local Agencies. The Bond Purchase Agreement shall specify the maximum rate of interest, the cost of issuance, the amount of required reserve, and the procedure to be used in case of default.

Local Agencies may sell their Bonds to the Authority on a negotiated basis without compliance with any public sale requirement included in the statutes under which such Bonds are issued. Section 16. Issuance of Bonds; Loans to Local Agencies. The Authority may, from time to time, issue its Bonds in the principal amount as the Authority determines necessary to provide sufficient funds for its purposes, which may include providing funds for Bond Purchase Agreements, payments of interest on Bonds of the Authority, establishment of reserves to secure the Bonds, and other expenditures of the Authority incident to issuance of the Bonds. The Authority may also issue Bonds for the purpose of financing or refinancing the construction of Public Capital Improvements to be leased to, or sold by, Local Agencies. The Authority may also issue Bonds for the purpose of making loans to Local Agencies, to the extent those Local Agencies are authorized.
by law to borrow moneys, and the loan proceeds shall be used by the Local Agencies to pay for Public Capital Improvements, Working Capital, or insurance programs.

**Section 17. Purpose, Terms and Form of Bonds; General Obligations.**

A. The Authority may, from time to time, issue Bonds to provide funds to achieve its purposes.

B. Bonds may be authorized to finance a single Public Capital Improvement, Working Capital, or insurance program for a single Local Agency, a series of Public Capital Improvements, Working Capital, or insurance program for a single Local Agency, a single Public Capital Improvement, Working Capital, or insurance program for two or more Local Agencies, or a series of Public Capital Improvements, Working Capital, or insurance program for two or more Local Agencies.

C. Bonds issued for the purpose of financing Working Capital shall be used to make loans to Local Agencies for any of the purposes for which a Local Agency may borrow money pursuant to California Government Code Section 53852. The loans shall be repaid in accordance with the terms of California Government Code Section 53854.

D. Except as otherwise expressly provided by the Authority, every issue of its Bonds shall be general obligations of the Authority payable from any revenues or moneys of the Authority available therefor and not otherwise pledged. These revenues or moneys may include the proceeds of additional Bonds, subject only to any agreements with the holders of particular Bonds pledging any particular revenues or moneys. Notwithstanding that the Bonds may be payable from a special fund, they shall be deemed to be negotiable instruments for all purposes, subject only to the registration provisions.

E. The Bonds may be issued as serial bonds or as term bonds, or the Authority may issue Bonds of both types. The Bonds shall be authorized by resolution of the Authority and shall, as provided by the resolution or indenture pursuant to which the Bonds are issued, bear the date of issuance; the time of maturity, not exceeding 50 years from their date of issuance; bear the rate of interest, either fixed or variable and, if variable, not in excess of the maximum rate of interest specified therein; be payable as to principal and interest at the time or times provided; be in the denominations provided; be in the form provided; carry the registration privileges provided; be executed in the manner provided; be payable in lawful money of the United States at the place or places provided within or without the State; and be subject to the terms of redemption provided. F. The Bonds shall be sold by the Authority at the time and in the manner set out in the Authority’s resolution. The sale may be a public or private sale, and for price or prices, and on terms and conditions as the Authority determines proper, after giving due consideration to the recommendations of any Local Agency to be assisted from the proceeds of the Bonds.

Pending preparation of the definitive Bonds, the Authority may issue interim receipts, certificates, or temporary bonds which shall be exchanged for definitive bonds.

**Section 18. Purchase of Bonds by Authority.** The Authority may, out of any funds available therefor, purchase its Bonds. The Authority may hold, pledge, cancel, or resell the Bonds, subject to, and in accordance with, agreements with bondholders.

**Section 19. Loan Agreements.** The Authority may:
A. Make secured or unsecured loans to any Local Agency in connection with the financing of Public Capital Improvement projects, Working Capital or insurance programs in accordance with an agreement between the Authority and the Local Agency. However, no loan shall exceed the total cost of the Public Capital Improvements, Working Capital or insurance needs of the Local Agency as determined by the Local Agency and by the Authority.

B. Make secured or unsecured loans to any Local Agency in accordance with an agreement between the Authority and the Local Agency to refinance indebtedness incurred by the Local Agency in connection with Public Capital Improvements undertaken and completed.

C. Assign or pledge all or any portion of its interests in mortgages, deeds of trust, indentures of mortgage or trust, or similar instruments, notes, and security interests in property, tangible or intangible, of a Local Agency to which the Authority has made loans, and the revenues therefrom, including payment or income from any interest owned or held by the Authority, for the benefit of the holders of Bonds issued to finance Public Capital Improvements.

The pledge of moneys, revenues, accounts, contract rights, or rights to payment of any kind made by or to the Authority pursuant to the authority granted in this part shall be valid and binding from the time the pledge is made for the benefit of the pledgees and successors thereto, against all parties irrespective of whether the parties have notice of the claim.

D. Lease the Public Capital Improvements being financed to a Local Agency, upon terms and conditions that the Authority deems proper; charge and collect rents therefor; terminate any lease upon the failure of the lessee to comply with any of the obligations of the lease; include in any lease provisions that the lessee shall have options to renew the lease for a period or periods, and at rents as determined by the Authority; purchase or sell by an installment agreement or otherwise any or all of the Public Capital Improvements; or, upon payment of all the indebtedness incurred by the Authority for the financing or refinancing of the Public Capital Improvements, the Authority may convey any or all of the project to the lessee or lessees.

Section 20. Other Financing Powers. The Authority shall have all other powers relating to the financing of Public Capital improvements, Working Capital, and insurance needs provided in the Joint Powers Act and in other state law.

Section 21. Compensation of Governing Board. The persons who serve on the Governing Board shall not be entitled to compensation. The Governing Board may authorize reimbursement of expenses incurred by individual Commissioners in connection with Authority business.

Section 22. Officers; Duties; Powers of Governing Board. Except as otherwise provided in this Amended Joint Powers Agreement, the Governing Board shall exercise all powers and conduct all business of the Authority, either directly or by delegation to other bodies or persons.

The officers of the Authority shall be the President, Vice President, Executive Director, Secretary and Treasurer.
The President, Vice President, Executive Director, Treasurer and Secretary of the Authority shall be same individuals who are the Mayor, Vice Mayor, City Manager, Administrative Services Director and City Clerk, respectively, of the City at any given point in time.

Said officers shall perform such functions as shall be customary in the exercise of such positions, and as may be more specifically provided by the Governing Board from time to time. The Executive Director shall have charge of the day-to-day administration of the Authority and shall execute the directives of the Board. The Executive Director may sign all contracts on behalf of the Authority. The Treasurer shall have the authority to perform all the functions, acts, duties and responsibilities of the treasurer and auditor as set forth herein. The Secretary shall have charge of the records of the Authority (to the extent not held by the Treasurer) and shall be responsible for recording the minutes of all meetings of the Governing Board. The Governing Board shall be represented by an attorney or law firm to act as the legal advisor of the Authority, who shall be the individual or law firm acting as City Attorney of the City; such attorney or law firm shall perform such duties as may be prescribed by the Governing Board.

The Governing Board shall cause to be prepared, and shall review, modify as necessary, and adopt the annual operating budget of the Authority. Adoption of the budget may not be delegated. The Governing Board shall receive, review and act upon periodic reports and audits of the funds of the Authority. The Governing Board shall have such other powers and duties as are reasonably necessary to carry out the purposes of the Authority.

Section 23. Meetings. Subject to the provision of notice of the meeting in accordance with the Brown Act the Governing Board shall hold its regular meetings concurrently with and/or immediately following the regular meetings of the City and the same shall occur consistent with the schedule set by resolution of the City for its regular meetings as to time/place and location; provided, however, that the Authority shall not be precluded from holding a duly noticed special meeting of the Governing Board. In the event an agenda for a regular meeting of the Authority is not posted timely in accordance with the provisions of the Brown Act, then such failure to post shall be deemed to be a determination by the President that no are no items required discussion, and, therefore, that the regular meeting of the Authority has been cancelled without any further action of the any Member, the Governing Board or any officer of the Authority. Each meeting of the Governing Board, shall be called, noticed, held, and conducted in accordance with the Brown Act.

In accordance with Section 6592.1 of the Brown Act, any resolution authorizing Bonds or any issuance of Bonds or accepting the benefit of any Bonds or the proceeds of Bonds shall be adopted only during a regular meeting. The Authority shall have minutes of its meetings kept by the Secretary of the Authority. A majority of the members of the Governing Board shall be a quorum for the transaction of business. However, less than a quorum may adjourn a meeting from time to time. A vote of the majority of a quorum at a meeting is sufficient to take action.

Section 24. Member Responsibilities. Each Member shall make contributions in the form of annual Membership assessments and fees, if any, determined by the Governing Board for the purpose of defraying the costs of providing the annual benefits accruing directly to each Member from this Amended Joint Powers Agreement.

Section 25. Termination and Distribution of Assets. This Amended Joint Powers Agreement may be terminated at any time that no Bonds or other obligations of the Authority are outstanding. Upon
termination of this Amended Joint Powers Agreement, all assets of the Authority shall, after payment of all unpaid costs, expenses and charges incurred under this Amended Joint Powers Agreement, be distributed among the Members in accordance with their respective contributions.

The Parties acknowledge there are currently no assets of the Authority to be distributed.

Section 26. Liability of Governing Board, Officers and Employees. The members of the Governing Board, officers and employees of the Authority shall use ordinary care and reasonable diligence in the exercise of their powers and in the performance of their duties pursuant to this Amended Joint Powers Agreement. They shall not be liable for any mistake of judgment or any other action made, taken or omitted by them in good faith, nor for any action taken or omitted by any agent, employee or independent contractor selected with reasonable care, nor for loss incurred through investment of Authority funds, or failure to invest. No Commissioner, officer or employee shall be responsible for any action taken or omitted by any other director, officer or employee. No director, officer or employee shall be required to give a bond or other security to guarantee the faithful performance of his or her duties pursuant to this Amended Joint Powers Agreement.

Section 27. Bylaws. The Governing Board may adopt bylaws consistent with this Amended Joint Powers Agreement which shall provide for the administration and management of the Authority, and the regulation of its business and the conduct of its affairs.

Section 28. Severability. Should any portion, term, condition, or provision of this Amended Joint Powers Agreement be decided by a court of competent jurisdiction to be illegal or in conflict with any law of the State, or be otherwise rendered unenforceable or ineffectual, the validity of the remaining portions, terms, conditions, and provisions shall not be affected thereby.

Section 29. Filing with State and County. The Secretary of the Authority shall cause to be filed a notice of this Amended Joint Powers Agreement with the office of the Secretary of State, within 30 days of the effective date of this Amended Joint Powers Agreement, as required by Section 6503.5 of the Joint Powers Act, and, as required by Section 6503.6 of the Joint Powers Act, a copy of the Original Agreement and this Amended Joint Powers Agreement with the State Controller. The Secretary shall also cause to be filed with the Santa Cruz County Clerk, within 10 days of the effective date of this Amended Joint Powers Agreement, the information required by Section 53051 of the California Government Code.

Section 30. Conflict of Interest Code. The Authority shall, by resolution, adopt a Conflict of Interest Code to the extent required by law. Such Conflict of Interest Code may be the conflict of interest code of the City.

Section 31. Effective Date. The effective date of this Amended Joint Powers Agreement shall be April 17, 2019.

Section 32. Withdrawal by Successor Agency. The Parties agree and acknowledge that upon execution of this Agreement, the Successor Agency shall no longer be a Member of the Authority, and that the Members of the Authority will thereafter be the City and the Parking Authority.
