## Glenwood Open Space Preserve East Trails

### CONSTRUCTION NOTICE

#### Overview

Construction of the Glenwood Open Space Preserve East Trails is expected to occur in phases and begin the week of January 14, 2019 and conclude by March 2019. The first phase is the trail construction, followed by bridge and trailhead construction and sign installation. This work is expected to start August 15, 2019 and be completed by October 15, 2019.

An official opening of the east trails can be expected in Fall 2019.

The last phase of construction is planned for Fall 2020. At this time, the access points (per the Public Access Overview) will be constructed to allow neighborhood access.
